Message from our Supreme President
Michael J. Horvath

The record breaking weather is continuing from the deep freeze Polar Vortex that most of us experienced at the end of January to the sunny late spring temperature at the beginning of February shows how change happens and how we can adjust to the extremes. I think the furry rodent; Punxsutawney Phil might have gotten it right this year since he saw his shadow. No matter what the weather is get out and enjoy the outdoors.

Our Supreme Secretary, Scott T. Pogorelec, F.I.C. and I attended the annual Supreme Physical Fitness Board meeting which was held January 18 – 20, 2019 in Moon Township, PA. This annual meeting gives the whole Supreme Physical Fitness Board the opportunity to review the plans for the year, prepare the schedule, assign Board responsibilities, and clear up issues that still need to be addressed. With the 49th International Slet taking place July 17 – 21, 2019 at SUNY Brockport, Brockport, NY there is much more the Board has to go over so all things run smoothly during the Slet.

I ask all Groups to promote the Slet to their members, so just like the weather; the 49th International Slet will experience record breaking participation. If any Group needs assistance with promoting the Slet to their members contact any member of the Supreme Physical Fitness Board for guidance and suggestions.

Again this year, the Slovak Catholic Sokol and the Greek Catholic Union, (GCU), will be sponsoring the 2019 bowling and golf tournaments for our members. This year the First Catholic Slovak Union, the Jednota, will be joining us for the bowling tournament. With the three fraternals coming together it will make for a very exciting and competitive bowling tournament. I want to remind all Sokol members to return their bowling and golf registrations forms in early this year since the Falcon now is a monthly publication. Early registration will assure you of participating in the bowling and or golf tournaments. If my calculations are correct and you are reading the Falcon today, today is February 14, Valentine’s Day. I extend best wish for a Happy Valentine’s Day to all of our members. May you enjoy this day of love and do something special not only for those you love but for someone who may need a special expression of kindness so they know they are also loved. Also, the Church celebrates the feast day of Saints Cyril and Methodius, our patron saints on February 14. This is a tribute to their profound love of their Christian faith and the desire to evangelize Eastern Europe and the world. May you remember Sts. Cyril and Methodius and celebrate the day for them.

The 2020 Committee is continuing to work on its mission and is preparing its final report that will be presented to the Slovak Catholic Sokol Board of Directors at their first 2019 quarterly meeting in March. The 2020 Committee is doing an excellent job in researching information and discussing the issues related to the structure and the governance of our Society. The 2020 Committee’s final report will be presented at the 33rd Quadrennial Convention in August 2019.

With the 33rd Quadrennial Convention 6 months away, I remind all Assemblies and Wreaths to hold their meetings to elect their delegates. It is important to have a diverse representation of members that cross all ages, gender and experiences to be a delegate and participate in the Convention. It is through being a delegate and participation in the Convention that will set the Slovak Catholic Sokol apart from other fraternal benefit Societies and will ensure our growth and success. Be a delegate!

I remind all members the Slovak Catholic Sokol 2019 Scholarship Grants are again available this year. The Scholarships are part of our member benefits and open to all members that qualify for a specific scholarship. This year there is a total of $63,000 in scholarship available to members. The scholarship applications are in the Falcon and on the Society’s website un-

“Many are the plans in a person’s heart, but it is the Lord’s purpose that prevails.”

Proverbs 19:21

Brr! I hope everyone is getting through this winter as best as possible. With the cold temperatures outside, and us inside, it allows us to look forward to our busy spring/summer fraternal programs here at the Slovak Catholic Sokol. I think we can all agree that we are ready for the spring season!

In preparation for our 2019 Fraternal Events, I had the pleasure of attending our Physical Fitness Board Meeting in Pittsburgh, PA on January 18th-19th. Our Supreme President, Michael J. Horvath, and I were honored to be there sharing in the energy and excitement of the meeting. Many thoughts and ideas were exchanged and I commend our Supreme Director of Sports and Athletics, James C. Matlon, and our entire Physical Fitness Board on a well-run and efficient meeting. 2019 is sure to be an exciting year of activities!

With that being said, we need the cooperation and passion of our Members. As many of you know, hosting our fraternal activities are both time consuming and costly. To justify these programs, we need to have the full and enthusiastic cooperation at our Groups, Assemblies, and Wreaths. We need your help to promote our various athletic programs within your own local Assembly or Wreath. Our local branches are the heart and soul of our fine Organization. Active and vibrant lodges are imperative to facilitate interest at our national events and are the cornerstone to the fraternal benefit system. Please take the time to attend a Lodge or Group meeting and promote these wonderful activities. Let’s take a look at what is on the calendar!

For our loyal Sokol keglers, we have announced that our 73rd International Bowling Tournament will be held on May 17th–18th in Pittsburgh, PA at Noble Manor Lanes. I hope our devout regulars and many new faces will join us as we celebrate this great weekend.

For those looking for a quick getaway, join some of our fellow Sokols at Rocky Gap in Flintstone, MD on May 31st-June 1st for our always enjoyable “Sokol Reunion”. The spirit of fraternalism is always at a high at this fun event!

Of course, the highlight of our programs in 2019 will be our 49th International Slet at SUNY Brockport in Brockport, NY, July 17th-21st. The closing Exhibition is scheduled for Saturday, July 20th. The Slet is a unique experience for our young members that supply them with memories and friendships that last a lifetime. Our Physical Fitness Board is hard at work to ensure that a safe and enjoyable time will be had by all. If you have the time, please try to make it to the Saturday Exhibition to see all the hard work our athletes have put in over the past two years. You will not regret it!

As the calendar turns to August, the delegates of the 33rd Quadrennial Convention will be meeting in Cleveland, OH at the Cleveland Airport Marriott from August 3rd-7th. This is obviously the most important event for our Society as we deliberate and mold our Organization for the next four years and beyond. By now, our Group, Assembly, and Wreath representatives have received the delegate registration forms. I urge all our potential delegates to get the forms into the Home Office by March 31, 2019. The Verification and Eligibility Committee will not accept registration forms after that date. We hope to see you there!

August will also give our avid Sokol golfers a chance to polish off their clubs and join us for the 64th International Golf Tournament held at Seven Oaks Country Club and Black hawk Golf Course in Beaver, PA from August 16th-18th. Seven Oaks Country Club is the home of the Greek Catholic Union and we are looking forward to a large number of participants. We hope to see both old and new faces on the links!

As you can see, we have a busy year ahead of us. Mark your calendars and make it a point to be a part of these wonderful activities. If anyone has any questions regarding our sports programs, please contact our Director of Sports and Athletics, James C. Matlon, at 973-647-8551 or email him at jmatlon@slovakcatholicsokol.org. You can also give me a call at the Home Office or email me at scott@slovakcatholicsokol.org, and I will be glad to assist you.

I would like to wish everyone a Happy Valentine’s Day, especially my two Valentines, Maggie and Reid Thomas! Until next time, stay warm and Zdar Boh!
One idea that was discussed during the Supreme Physical Fitness Board meeting held in January in Pittsburgh, PA, was a family weekend during this summer. Possibly in June. Would anyone be interested in going somewhere like Maumee Bay in Ohio? They have lots of activities for families. There is also an over 21 “establishment” and a golf course! Google Maumee Bay. If you are interested, contact Supreme Physical Directress Kathleen S. Watkins at kathyw323@gmail.com or visit our Facebook page at Slovak Catholic Sokol Public Group and respond to her post.

Thoughts from our Supreme Chaplain, Rev. Andrew S. Hvozdovic

Prayerful Reflection and Request

By the glory of your Cross, Lord, help our nation overcome the bias that divides us, the mistrust bred by bigotry, and the pain that comes of prejudice - and let us never for a moment pretend to love you and at the same time ignore, mistreat or abandon our neighbor, brothers and sisters all, near and far, one family of humanity in you, our Lord and God...

From the depths of your love, Lord, help me overcome my prejudice, my bias and my bigotry, my narrow-minded thinking and rash judgments- and help me overcome the temptation to think that none of these faults are mine...

With the grace of your mercy, Lord, help me overcome my selfishness, my jealousy and greed, my pride and self-importance, my careless disregard of others’ needs- and help me overcome the thought that I’m above all such things...

With the power of your Spirit, Lord, help me overcome my laziness, my lustful thoughts and longings, my apathy and envy and my ungoverned appetites- and help me overcome the self-evaluation in which none of this applies to me...

With the justice of your word, Lord, help me overcome my tendencies to stretch the truth, to cheat and lie, to take what isn’t mine, to deny what’s due to others- and help me overcome the notion that I’m above such inclinations...

With the power of your grace, Lord, help me overcome my fears, my worries and anxieties, my doubts and my uncertainties, my lack of trust in you and others- and help me overcome the thought that weakness is my lot...

With the strength of your arm, Lord, help me overcome what keeps me down, what holds me back, what slows me up, what locks me in- and help me overcome the inertia that holds me captive in its grip...

With all you have to offer, Lord, help me overcome what keeps me from your presence and from prayer, from your mercy and compassion, from your love, your peace and joy...

Amen

der Scholarship Grants. The website scholarship applications make it easy for members to apply, complete the application on line and submit. If any member has questions concerning the scholarships or the application process please contact our Supreme Vice President, Edward D. Moeller, vp@slovakcatholicsokol.org for assistance.

I read two articles published by the American Fraternal Alliance, (AFA), to share with you. The first is an analysis of who is purchasing life insurance in 2019. Nothing is surprising here; more individuals over the age of 45 will purchase more life insurance than those under 45. The second is life insurance purchases will increase by 3% in 2019 over 2018. These two simple predictions are interesting and should be our guiding light for a successful year of growth for our Society this year.

Let us work together to make 2019 the best year of increasing membership in the Slovak Catholic Sokol and break our record and surpass the experts predictions.

Any member needing help to recommend a family member or friend to become a Slovak Catholic Sokol member and purchase a life insurance or annuity product reach out and call our Director of Sales, Albert J. Suess, Jr., F.I.C., 855-874-9179, or our Supreme Secretary, Scott T. Pogorelec, F.I.C., 800-886-7656.

With God’s Blessings to All!

**Presidents' Day Facts**

- Presidents' Day falls on the third Monday in February in the United States. It is also known as Washington's Birthday, after George Washington, the first president of the United States. The day is meant to celebrate George Washington and all the presidents of the U.S. It became a federal holiday in 1879. Although there was an attempt in 1968 to officially call the third Monday in February Presidents' Day, it failed. It eventually came to pass that in 1971. Still many states choose to call this day Presidents' Day instead of Washington's Birthday. Some states also celebrate Abraham Lincoln's birthday at this time as well.

- Presidents' Day/Washington's Birthday is a federal holiday in the United States. Even though G. Washington’s birthday was February 22nd, the day is officially celebrated on the third Monday in February.

- In the 1700s, George Washington’s birthday was celebrated while he was still alive, and many in the U.S. took part in the festivities. He was born in 1732 and died in 1799.

- George Washington was president for two terms, from 1789 to 1793, and 1793 to 1797.

- George Washington had important military roles prior to becoming president. Under his leadership, the American Continental Army defeated the British in 1783. Many believe he is the most important politician in American history.

- George Washington is featured on the quarter dollar coin and the one dollar bill. Since 1888, George Washington’s Farewell Address has been read in the Senate on February 22nd of most years.

- Some spell it President's Day and some spell it Presidents' Day. Presidents’ Day refers to more than one president while President's Day refers to one President. The difference in spelling may be because some celebrate George Washington alone on this day and others celebrate George and Abraham Lincoln, while some may be celebrating all presidents.

- Even though it is a federal holiday, each state is free to call it what they choose and how to celebrate.

- There were four presidents born in February including George Washington, Abraham Lincoln, William Harrison and Ronald Reagan. Most celebrate Presidents’ Day in honor of the first two.

**41st SS. Cyril and Methodius Appeal of the Slovak Catholic Federation**

The 41st Annual Saints Cyril and Methodius Appeal is underway. Funds raised go to the Bishop Grutka Fund, which is used to support the Pontifical Slovak College of Saints Cyril and Methodius to assist with its day to day operations. The College is the residence of priests from Slovakia who are sent to Rome by their bishops for graduate studies. After receiving their degrees, these priests return to their dioceses to work as seminary teachers, Tribunal officials, and in other ministries.

- Last year's appeal raised $32,698.81 from 181 donors. After just one month, 45 donors have contributed $2,985.00 to the 2019 Appeal. The vast majority of these 45 donations were made because of a direct mailing sent to local district and branch leaders from the four Catholic Slovak Fraternal Organizations, members of the Slovak Catholic Federation, and previous donors. Information has already been sent to parishes that take up a special collection for the Appeal. On behalf of the Pontifical College, thank you for your continued generosity and support.

- Anyone who wishes to contribute to the 2019 Appeal may do so by filling out the information in the box at the bottom of this article and mailing it along with your check payable to the Slovak Catholic Federation to the address provided. All donors receive an acknowledgement for their gift. Thank you for your goodness and generosity. Donations received after November 30, 2019 will be credited toward the 2020 Appeal.

- The Slovak Catholic Federation, founded in 1911, brings together under one banner both individuals of Slovak heritage as well as Catholic Slovak Fraternal Organizations for cultural, religious and educational needs. Serving as Moderator is the Right Reverend Gary Hoover, O.S.B., Abbot of St. Andrew Svorad Abbey, Cleveland, OH. National President is Reverend Andrew S. Hvozdovic, V.F., Supreme Chaplain of the Slovak Catholic Sokol and Pastor of Epiphany Parish, Sayre, PA. Reverend Thomas A. Nasta, National Chaplain of the First Catholic Slovak Union and Pastor of Sacred Heart Parish, Swedesburg, PA, serves as First Vice President of the Federation and is the Appeal Coordinator.

SLOVAK CATHOLIC SOKOL COLLEGE SCHOLARSHIP – TIPS FOR SUCCESS

I just wanted to take a moment to highlight the recent changes made to the Slovak Catholic College Scholarship Program. We will continue to use a completely on-line process as we have had few issues with the process over the past several seasons. With the help of our technical webmaster, we have redesigned the application process and you should find it to be much more user friendly. You will find the on-line application on our website at www.slovak-catholicsokol.org beginning November 1, 2018.

To be best prepared for this process a successful applicant should:

1. **ANSWER ALL QUESTIONS ON THE APPLICATION.**
   - Review the application on-line for required content and gather prior to beginning to complete the form
   - Be prepared to attach both your essay (in PDF or Word format) and a color head and shoulders picture of yourself (in .jpeg format).

   Please note, you may want to print a copy for your records prior to submitting. All applicants will receive automatic confirmation that their e-mail has been received.

   It really isn’t that difficult to qualify for one of our many college scholarships. With now four years of the new College Scholarship Application process behind us, it is clear that there are a few ways to assure that your application will be reviewed.

2. **INCLUDE ALL REQUIREMENTS FOR THE APPLICATION- i.e. photo; transcript; essay**
   - Start the process for requesting your transcript NOW. I have found that sometimes this is the hold up for some applicants.
     - **Transcripts**- please note that “official transcript” means that you have requested it from your University or College and that is has been sent directly to me in a sealed envelope. We have not been as strict in the past on this issue, but began holding each applicant to this requirement last season and will continue to do so moving forward.

3. **SUBMIT ALL REQUIRED ELEMENTS PRIOR TO THE DEADLINE.**
   - The application is clear and I just want to prevent a waste of your time and energy.
   - Failure to include/complete any of the above items will result in the application being disqualified. To be honest, it is not easy for our committee when we need to disqualify applicants for simple yet important missing requirements.
   - Lastly, apply for all college scholarships for which you qualify in order to give yourself the best chance at receiving something. There were several applicants who limited themselves to a particular scholarship. Competition was fierce for the larger scholarships, but there seems to be more opportunity with the other scholarship offerings.

   Not every applicant receives a scholarship every time they apply. If you have not received one in the past, I encourage you to apply again this year. Before submitting your application- take some time to review the bullet points above in order to assure that your application will be included for consideration. Good luck and Zdar Bohl – **Edward D. Moeller, Supreme Vice President; Chairperson of the Scholarship Committee**

PRESIDENTIAL ELECTION SET FOR MARCH 16

The first round of this year’s presidential election will be held on March 16, Parliamentary Chair Andrej Danko (Slovak National Party/SNS) announced on January 10.

A possible second round, if the head of state isn’t elected in the first one, is slated to take place on March 30.

More than a dozen people officially intend to join the contest for the Presidential Palace at the present moment, including, for example, Parliamentary Vice-chair Bela Bugar (Most-Hid), scientist Robert Mistrik (supported by SaS and Together), security analyst Juraj Zabojnik, political analyst Eduard Chmelar, lawyer and activist Zuzana Caputova (Progressive Slovakia), Milan Krajnak (We Are Family), witness of ex-president Michal Kovac’s son’s kidnapping Oskar Fegyveres, head of the far-right LSNS Marian Kotleba, former parliamentary veteran Frantisek Miklosko, Robert Svec (Slovak Revival Movement), entrepreneur Bohumila Tauchmannova, Supreme Court judge Stefan Harabin, and dramatist and fashion TV director Gabriela Drobova. Incumbent President Andrej Kiska has chosen not to run for re-election.

54% OF STAFF IN NEED OF NEW QUALIFICATION BY 2022

Analytical thinking and innovation are set to become the most demanding skills on the labour market in the next years, TASR has learnt from Slovenska sporitelna analyst Lenka Buchlakova.

Referring to an analysis of the World Economic Forum, Buchlakova said that 54 percent of current staff will need to take up a requalification course by 2022.

“The labour market in global terms, but also that in Slovakia will gradually require more skills in the areas of technology and programming. A demand for IT specialists is growing. However, employers will also require creativity, originality and critical thinking from employees,” said Buchlakova, adding that flexibility and comprehensive problem solving skills are becoming more and more important.

The analysis further anticipates that the companies will carry out around half of all requalification courses needed for the employees via company’s internal departments. According to Buchlakova, the training courses “will significantly boost the qualification of firms and improve the results of their employees”. The analysts added that full-time jobs will become less popular and will be replaced by the system of hiring temporary employees or self-employed persons.

PELLEGRINI: GOVERNMENT Wants TO SUBMIT LAWS RELATED TO BREXIT IN MID-FEBRUARY

In the event of a no-deal Brexit, the Slovak Government will submit all necessary legislative changes by February 15, while at the same time requesting Parliament for a fast-track legislative procedure, TASR learnt from Prime Minister Peter Pellegrini (Smer-SD) after a meeting of an inter-departmental co-ordination group for Brexit on Monday.

Pellegrini stated that on February 15 all draft laws that will need to be amended will be on the desk. “We’re ready for all the alternatives and we’ll adopt really sufficiently in advance such legislation that will respond in detail to what is going to happen in reality,” he said, adding that Slovakia will be ready for the most up-to-date situation. The Government will adopt a comprehensive document next week on Wednesday (January 30) that will talk about all the areas of life in Slovakia that can be affected by Brexit.

Pellegrini has confirmed that Slovakia will make all the necessary changes to ensure that British citizens living, working and studying in Slovakia will have the same rights as before. “Slovakia will make all necessary legislative and administrative-technical changes to ensure that British citizens living, working and studying in Slovakia before the Brexit date will enjoy rights similar to those of EU citizens, as Slovak citizens living, working and studying [in the UK] will be provided by the British Government.”
LaJcak: Brexit measures should be approved by House in March

Measures aimed at mitigating the effects of Brexit, a.k.a. Lex Brexit, should be approved by Parliament as early as in March, stated Foreign and European Affairs Minister Miroslav LaJcak (a Smer-SD nominee) after a Cabinet session on January 30th, adding that the measures in question should be submitted to Parliament by mid-February.

A document with 23 measures that should get Slovakia ready for the event of a no-deal Brexit was negotiated and approved by the Government earlier on January 30th.

“The [measures] concern the status of our citizens in Britain and their social rights, they concern transport, especially road and air transport. They also focus on economic co-operation and businessmen as well as on co-operation in the field of justice, security, defence and foreign affairs,” said the head of Slovak diplomacy.

LaJcak further said that the UK is leaving the EU on March 29 either with or without a deal. He pointed out that there is no majority in the British Parliament to approve the deal negotiated with the Union, so a no-deal Brexit is getting more real every day. Slovakia has to be ready for this alternative, said LaJcak.

Volkswagen to cut staff in Slovakia for first time

Volkswagen’s business in Slovakia, the country’s biggest car plant and largest private sector employer, plans to reduce staff this year for the first time since 2009. The business will return some 500 workers it had borrowed from the Hungarian unit of premium brand Audi in 2016, reduce the number of contractors and will not extend expiring fixed-term contracts.

Volkswagen Slovakia will also reduce the number of production shifts that make higher-end SUVs as well as cheaper small family cars including the Volkswagen e-up!, the only electric car currently made in Slovakia.

Volkswagen said the move was part of a drive to increase efficiencies by 30 percent by 2025, as it strives to fund a costly shift to electric and self-driving vehicles.

Slovakia’s smallest automaker Kia will also reduce staff this year, the first time since launching in the country in 2006. It will cut 27 staff as of February due to a 35-percent slump in demand for diesel engines made at its factory outside Zilina, northern Slovakia.

Its car production this year is expected to match last year’s 333,000 vehicles.

The auto industry accounts for 13 percent of Slovakia’s gross domestic product, which is expected to grow 4.3 percent this year before slowing, and for 35 percent of its exports.

PSA Group and Jaguar Land Rover see their output rising this year in Slovakia.

Stats Office: Inflation in Slovakia at 1.9 percent in December

Year-on-year inflation in Slovakia amounted to 1.9 percent in December 2018, with core inflation standing at 1.8 percent and net inflation at 2 percent.

In December 2018, month-on-month cumulative inflation was negatively influenced by core inflation by 0.31 percentage points (p.p.), while regulated prices had an impact of 0.18 p.p., and indirect taxes had no effect on cumulative inflation.

Food prices influenced core inflation by 0.02 p.p., and net inflation had a negative impact of 0.33 p.p. on core inflation.

ANALYSTS: labor market could gradually loosen up in 2019

According to analysts, the shortage of labor should be among the main topics even in 2019.

An expected slowdown in economic growth will gradually mitigate employers’ demand for labor, said the analysts. “The labor market will loosen up, especially in the east and south of central Slovakia, while mild (temporary) growth in unemployment can’t be excluded in 2020,” assumes analyst from UniCredit Bank Czech Republic and Slovakia Lubomir Korsnak, adding that the west of the country will still experience a lack of available labour, which, according to him, employers will resolve partly by importing labour from abroad. The number of foreigners working in Slovakia could gradually stabilise this year and especially next year, said Korsnak.

The analysts think that the shortage of labor should force salaries to grow. Analyst from Postova banka Lucia Dovalova said that nominal growth in salaries could exceed 6 percent and thus grow at approximately the same rate as in 2018. According to Korsnak, the announced salary increase of 10 percent in the public sector as of January 2019 should accelerate growth to 7 percent.

“Salaries will be forced up especially in sectors that feel a lack of qualified labour, said Dovalova, adding that real salaries should also grow in 2019, albeit at a slower rate than nominal ones.

TASR releases ‘Heirloom’ photo set of Slovakia’s wonders

Slovakia’s natural treasures have been included in a unique photo set created by The News Agency of the Slovak Republic (TASR) entitled ‘Heirloom’. The series is also devoted to bird’s eye views of towns, buildings and transport infrastructure. The series of 30 reports further includes photos of the wonders of nature, fields and pastures taken from the air.

“We managed to take pictures of interesting locations where the borders of three countries – Slovakia, Poland and Ukraine – meet. Apart from Poloniny National Park, we also captured Starina water reservoir and Slovakia’s easternmost village of Nova Sedlica. We even had to land for some moments, as taking photos in border areas is subject to special regulations, and it’s necessary to have a flight permit,” said TASR Photo Desk head Michal Svitok, who took the pictures.

The five-part series contains a total of 120 photoreports and almost 900 pictures taken from an ultra-light aircraft across Slovakia.

SS. Cyril and Methodius nudge Valentine off the calendar
by Sister M. John Vianney Vranak, SS.C.M.

Until the post-Vatican II changes in the liturgical calendar went into effect in 1969, Feb. 14 was the day on which the third century bishop, Valentine, was commemorated. During the liturgical efforts of the late 1960s, efforts were made to place the celebration of a saint’s feast as close as possible to the date of his/her death.

Because St. Cyril’s death occurred Feb. 14, 869, the feast he shares with his brother, Methodius, (formerly marked on July 7) has been celebrated as a memorial on Feb. 14.

The mission and ministry of Cyril and Methodius is both timely and relevant in our day. They were instrumental in introducing the liturgy in the vernacular 1,100 years ahead of the rest of the Church. They might be described as one of “the best kept secrets” in the Church. They are revered by both the Eastern and Western traditions of the Church.

Under the inspiration of the Holy Spirit and despite much persecution and misunderstanding, they forged ahead in their time to “do things that had never been done before.”

Undoubtedly, the ninth century brothers - apostles to the Slavs could not have imagined that more than 11 centuries later, the faithful would look to them as models and mentors. As we minister in this millennium, it is well for those involved in Church ministry to reflect on their ministry and adapt these observations to our present situation.

Cyril and Methodius left the comfort and the academic setting to which they were accustomed, and responded to an appeal of Prince Rastislav to Emperor Michael to “send missionaries who will teach the Gospel in a language our people will understand.”

Rather than imposing Greek culture on their neighbors to the north, Cyril set himself to the task of creating a language so that they might proclaim the Word. He began by making scriptures and the liturgical books available to the residents of what was then known as “Great Moravia.” In fact, the first words he penned in this newly created language were: “In the beginning was the Word.”

This language was known as the Glagolitic(from glagol, to speak) and evolved into what is still known as the Cyrillic alphabet used in Russia and other Slavic nations.

These brother-missionaries observed and adapted the culture of the Slavs to Christianity. In other words, they not only baptized individuals they had instructed in the faith; they also “baptized” and Christianized the culture of their converts. Unique to their mission also was the

Sister M. Cabrini Steber, SS.C.M.

devoted Cyrilite laid to rest at 92

Sister M. Cabrini Steber, (Mary Steber) passed away peacefully at Emmanuel Center, Danville, Pa. on Wednesday, December 19. A native of Coxeville, Pa., she was born there March 25, 1927, daughter of Joseph and Mary (Kotch) Steber. She attended Coxeville Public School, Beaver Meadows and St. Joseph School in Hazleton. She graduated from St. Cyril Academy, Danville and entered the Sisters of SS. Cyril and Methodius on September 11, 1945. On August 13, 1946, she was received as a novice. Sister Cabrini was professed on August 11, 1948. She received her undergraduate degree in education from Marywood University in Scranton and a Master’s degree from Scranton University, also in education.

For over forty years, Sister Cabrini taught in parish schools in Pennsylvania, South Carolina and New York, serving as principal/local coordinator for twenty-one years. Among her assignments was as principal at the former Most Holy Trinity School in Yonkers, N.Y. where our editor served with her on the faculty. Later Sister served in various capacities at Maria Hall and Maria Joseph Manor, Danville, among them, as receptionist, appointment escort, resident visitor and Coordinator of Volunteers.

The key to understanding Sister Cabrini’s success as a religious lies in her desire to be loving to everyone she met. Sister Cabrini was universally known for her kind demeanor and perpetual smile. Wherever she ministered she was much loved, especially at Maria Joseph where she spent her last years in ministry and later as a resident herself. Though always pleasant, she had to deal with serious illness. She contracted Guillain-Barre disease when she was missioned at St. John the Baptist School in Pittston, Pa. Parallelized from the waist down, she prayed for a miracle to Sister Maria Kaupas, S.C.S., foundress of the Sisters of Saint Casimir. She recovered and spent the rest of her life in fruitful ministry.

Sister was preceded in death by her parents, her brothers Joseph, Andrew, Aloysius and Daniel. She is survived by two nieces and two nephews. Transferal and recitation of the Rosary took place on December 22 at Maria Hall in Danville followed by a Wake Service. A Mass of Christian burial was celebrated at Maria Hall by the Maria Hall chaplain, the Rev. Gerard Heintzelman. Concelebrating were the Rev. Lawrence Nwabueze, O.P., Dayton, Oh., the Rev. John Cryiac, MSFS and the Rev. Augustine Joseph MSFS, both of Danville. Burial was in the Sisters’ cemetery.

Sister Cabrini was a devoted and dynamic educator, administrator and all-round person as a consecrated religious. She beautifully mirrored our Cyrilo-Methodian heritage of faith. May she now rest in peace.

Donations in memory of Sister Cabrini can be made to the Sisters of SS. Cyril and Methodius, Villa Sacred Heart, Danville, PA 17821.

fun facts about valentines day

- There are various theories on the origin of Valentine’s Day, but the most popular dates back to the time of the Roman Empire during the reign of Claudius II, 270 A.D. Claudius didn’t want men to marry during wartime because he believed single men made better soldiers. Bishop Valentine went against his wishes and performed secret wedding ceremonies. For this, Valentine was jailed and then executed by order of the Emperor on Feb. 14. While in jail, he wrote a love note to the jailor’s daughter, signing it, “From your Valentine.”

- The ancient Romans celebrated the Feast of Lupercalia on February 14 in honor of Juno, the queen of the Roman gods and goddesses. Juno was also the goddess of women and marriage.

- Many believe the X symbol became synonymous with the kiss in medieval times. People who couldn’t write their names signed in front of a witness with an X. The X was then kissed to show their sincerity.

- In the Middle Ages, young men and women drew names from a bowl to see who would be their Valentine. They would wear this name pinned onto their sleeves for one week for everyone to see. This was the origin of the expression “to wear your heart on your sleeve.”

- The red rose was the favorite flower of Venus, the Roman goddess of love.

fact that they prepared their followers for ordination so that subsequent generations would not be dependent on foreign missionaries.

Recognizing their long-lasting contribution to building up the Body of Christ, Pope Saint John Paul II in an apostolic letter stated “Cyril and Methodius desired to become similar in every aspect to those to whom they were bringing the Gospel; they wished to become a part of those peoples and to share their lot in everything; it was a question of a new method of catechesis... They combined respect and consideration for individual cultures with a passion for the universality of the Church, which they tirelessly strove to achieve.” They further remind us that “today we can cooperate in proclaiming the kingdom or we can become the upholders of new divisions.” Acclaimed as evangelizers of and by both the Eastern and Western churches, Cyril and Methodius are our intercessors in current efforts at ecumenism.

As we celebrate their feast on Feb. 14, let us invoke their intercession that they may help us to better know the Lord through prayer and Scripture, build on the similarities of other believers rather than allowing differences to continue dividing us and respond to the needs of our times with innovative enthusiasm.

(Sister M. John Vianney, a Chicago native, is a former General Superior of the Sisters of SS. Cyril and Methodius in Danville, Pa. and has been a great advocate of our Cyrilo-Methodian heritage of faith throughout her life.)

deserts for valentine’s day

chocolate filled raspberries

Ingredients: 1 pint fresh raspberries, ¼ cup milk or dark chocolate chips, ½ teaspoon coconut oil

Place fresh raspberries into a mini-muffin tin to help hold them for ease in filling. Heat chocolate chips and coconut oil in microwave safe bowl for 2 minutes on 50%. Stir until smooth. Pour into a zip top container and snip a tiny hole in the bottom corner of the bag. Squeeze the bag to fill each of the crevices of the raspberry with the melted chocolate. Place muffin tin in the freezer for about 15 minutes to set. Remove from the freezer and pour into an airtight, freezer-safe container and store in the freezer up to 3 months.

raspberry cheesecake in a mason jar

Ingredients: 1 12-ounce package frozen raspberries, 3/4 cup sugar, divided 1/2 cup and 1/4 cup, 1/3 cup water, 10 Oreo cookies, divided 1/2 cup and 1/4 cup, 1/3 cup melted butter, 8 ounces cream cheese, room temperature, pinch salt, 1 egg, 1/3 cup sour cream, whipped cream for topping, fresh raspberries for garnish

Raspberry sauce: Set aside 1/2 a cup of the frozen raspberries from the package. Place remaining raspberries in a medium saucepan. Add 1/2 cup sugar and 1/3 cup of water. Bring to a simmer on medium high heat, then lower the heat to maintain the simmer. Cook, whisking frequently, until the raspberries have completely broken down, about 10 minutes. Set aside to cool.

Oreo cookie crust: Grind the chocolate cookie wafers in a food processor. Place in a medium bowl and stir in the melted butter. Divide evenly among four the mason jars, packing the chocolate “crust” at the bottom of each mason jar in a layer about 1/4 to 1/3-inch thick. At this point you can put in a 350°F oven for 10 minutes to bake the crust in, which will make it easier to pour in the cheesecake filling without it mixing in with the crust.

Cream cheese filling: In a mixer, beat the cream cheese on medium speed for 4 minutes, until smooth and light. Add 1/4 cup of sugar and beat 4 minutes more. Add a pinch of salt and the egg, and beat another minute. Add the sour cream and beat another minute, until smooth. Add 1/4 cup of the cooled raspberry syrup from step one, and beat until incorporated. Layer raspberries and filling on top of crumbs in mason jars: Place the reserved raspberries on top of the chocolate crumbs in the mason jars in a single layer. Pour the raspberry cheesecake filling over the raspberries in the jars. Place in a roasting pan and add about an inch of boiling water to the pan to create a water bath, which will help the cheesecakes cook more evenly. Bake at 325°F for 40 minutes. Then turn off the heat in the oven and let the cheesecakes continue to gently cook in the residual heat of the oven for another 30 minutes.

Chill and top with whipped cream and raspberry sauce: Remove from oven and let cool to room temp. Chill for at least a half hour before eating. Don’t worry if there are cracks on the surface of the cheesecakes. Top with the remaining raspberry sauce, whipped cream, and fresh raspberries.
