Za Boha a národ
For God and Nation

Hello
August
Message from our Supreme President
Michael J. Horvath

Summer fun, relaxation and vacations are what we look forward to every year and maybe are planned a year in advance. When summer does arrive, it comes and then goes by so quickly and we might wonder where it went. This being August, the summer of 2020 is coming to an end, and for me it seems like it never happened. Back in January most of us were thinking about what we were going to do this summer and preparing to make plans for the fun in the sun days. Then out of nowhere, the scourge of humanity surfaced, COVID-19, and all our plans became iffy and wait and see became the summer planner.

Just as personal plans were put on hold; adjusted or canceled this year so were the plans and activities of the Slovak Catholic Sokol. As was reported to you in past issues of the Falcon the Board of Directors canceled in-person meetings and held the 1st Quarterly Board of Director’s meeting via a conference call and the 2nd Quarterly meeting via Zoom. At this time, future Board of Directors meetings might have to be held via Zoom for the rest of 2020. The Supreme Physical Fitness Board experienced similar restrictions. They had a very active year planned for the Sokol membership, the International Bowling Tournament in May in Cleveland, Ohio, the “Kruz”, the Clinic in July at Kutztown University and the International Golf Tournament in August in Beaver, PA. However, due to COVID-19 these events had to be canceled or adjusted. The Board of Directors made the hard decision to cancel the International Bowling and Golf tournaments this year since we could not change the situation of the pandemic and the restriction put in place, since our main concern is the safety of our participating members.

Not to be sidetracked by COVID-19, the Supreme Physical Fitness Board is beginning to prepare for a bigger International Bowling and Golf tournament in 2021 to make-up for the tournaments canceled this year. Knowing that members were looking forward to the International Golf tournament, the Board decided to come up with an activity to keep Sokol members involved in the spirit of Sokol fraternalism. The Board came up with a fantastic idea and created the Slovak Catholic Sokol International Golf Week. This creativity shows all members the Supreme Physical Fitness Board continues to look for activities the Sokol membership can do and nothing not even COVID-19 will stand in their way.

As for the Clinic, the Supreme Physical Fitness Board continues to hold Zoom meetings to prepare the Groups for the 50th International Slet to be held July 2021 at Kutztown University in Kutztown, PA. The Supreme Physical Fitness Board is proving it can continue to plan our fraternal events for the benefit of the membership and is ready to make adjustments if and when needed.

In our everyday lives not a day goes by that we are not planning what we will do that day, the next day, month and into the future. This planning starts in the morning and goes on through the day. So if we are planning for the near future, are we also planning for long term? Long term planning is so important we do not think about it since most of our planning is for the short term. Long term plans should be our plans for the, what ifs, and am I protecting myself and my love ones? That is what the Slovak Catholic Sokol offers planned protection for the long term with our Life Insurance and Annuity products. These products give you and your loved ones future financial protections. Take some time to review your future plans. When you do, you might find you have to adjust them to meet yours or your loved ones future. If your future plans need adjusting or if you have a question about our products contact our Supreme Secretary, Scott T. Pogorelec, F.I.C. at the Home Office or our Director of Sales, Albert J. Suess, Jr. F.I.C. at sales@scslife.org.

After five months we still find ourselves in the grips of COVID-19 and the predictions are it will still be around for many more months. If this is the case, the Slovak Catholic Sokol will continue to adjust and look for ways to keep the membership involved with Sokol fraternality as was reported to you in past issues of the Falcon the Board of Directors canceled in-person meetings and held the 1st Quarterly meeting via Zoom. At this time, future Board of Directors meetings might have to be held via Zoom for the rest of 2020.

(Continued on page 4)
August is upon us and I hope that you are enjoying your summer the best you could under the circumstances. With the spike of Covid-19 in certain states, I urge all our members to be safe and listen to the professionals. Here at the Home Office, we are still in the midst of our Business Continuity Plan, but we are available Monday-Friday. I am so grateful to our Home Office Staff and their ability to adjust on the fly. We have been business as usual and we hope that membership is pleased with the service during this difficult and unorthodox time.

Unfortunately, this pandemic has forced the cancellation or postponement of many events that have become fixtures in our organization. While we may be upset with the cancellations, our “Sokol resolve” is strong and unwavering. We know that we will be back when this pandemic is over with bigger and better events. Your Supreme Physical Fitness Board is hard at work ensuring that our schedule will be set when that time comes. I also ask all our members that if you have an idea or thought regarding our fraternal events, please reach out to our Supreme Director of Sports and Athletics, James C. Matlon, at jamesmatlon@optonline.net.

As we may have a little more time on our hands to think about our family and their futures, I ask all our members to think about your life insurance needs. It is a perfect time to address this important item. If you have any questions regarding life insurance needs, please feel free to contact me at the Home Office at (800)886-7656 or contact our Director of Sales and Marketing, Albert J. Suess, F.I.C. at (412) 381-5431. You can also reach me through email at scott@slovakcatholicsokol.org.

I also want to say Happy Anniversary to my beautiful Wife, Maggie, as we will be celebrating our 4th Anniversary this month! I love you!

Finally, please continue to stay POSITIVE during this time. Contrary to what you may read or watch, we will get through this. Not because of any politicians, but because of our people and the resolve we have.

Stay strong, stay safe, and God Bless!

Zdar Boh!

Thoughts from our Supreme Chaplain, Rev. Andrew S. Hvozdovic

THE ASSUMPTION OF MARY INTO HEAVEN

This year the feast of the Assumption of the Blessed Virgin Mary, August 15th falls on a Saturday, and though a Holy Day it is not a day of obligation, however I wish to offer the following. The significant feast day recalls the spiritual and physical departure of the mother of Jesus Christ from the earth, when both her soul and her body were taken into the presence of God.

Venerable Pope Pius XII confirmed this belief about the Virgin Mary as the perennial teaching of the Church when he defined it formally as a dogma of Catholic faith in 1950, invoking papal infallibility to proclaim, “that the Immaculate Mother of God, the ever-Virgin Mary, having completed the course of her earthly life, was assumed body and soul into heavenly glory.”

His Apostolic Constitution “Munificentissimus Deus” (Most Bountiful God), which defined the dogma, contained the Pontiff’s accounts of many longstanding traditions by which the Church has celebrated the Assumption throughout its history.

The constitution also cited testimonies from the early Church fathers on the subject and described the history of theological reflection on many Biblical passages which are seen as indicating that Mary was assumed into heaven following her death.

Although the bodily assumption of Mary is not explicitly recorded in Scripture, Catholic tradition identifies her with the “woman clothed with the sun” who is described in the 12th chapter of the Book of Revelation.

The passage calls that woman’s appearance “a great sign” which “appeared in heaven,” indicating that she is the mother of the Jewish Messiah and has “the moon under her feet, and on her head a crown of twelve stars.” Accordingly, Catholic iconography of the Western tradition often depicts the Virgin Mary’s assumption into heaven in this manner.

Eastern Christians have also traditionally held Mary’s assumption into heaven as an essential component of their faith. Pius XII cited several early Byzantine liturgical texts, as well as the eighth-century Arab Christian theologian St. John of Damascus, in his own authoritative definition of her assumption.

“It was fitting,” St. John of Damascus wrote in a sermon on the assumption, “that she, who had kept her virginity intact in childbirth, should keep her own body free from all corruption even after death,” and “that she, who had carried the creator as a child at her breast, should dwell in the divine tabernacles.”

In Eastern Christian tradition, the same feast is celebrated on the same calendar date, although typically known as the Dormition (falling asleep) of Mary. Eastern Catholic celebration of the Dormition is preceded by a two-week period of fasting which is similar to Lent. Pius XII, in “Munificentissimus Deus,” mentioned this same fasting period as belonging to the traditional patrimony of Western Christians as well.

The year 2020 has brought a lot of challenges for all of us. The Supreme Physical Fitness Board has been working hard. As a new board, we came together to work as one and to make sure the 50th International Slet will be one to remember. The SPFB board met several times via zoom to organize a successful virtual International Clinic. Although this is not our preferred way to meet, technology has become part of our every day and we want our organization to flourish into the future.

A worldwide pandemic has blanketed all of us but the SPFB and the leaders of our Groups would not let that hold us back! We had to cancel our ‘in person’ clinic due to restrictions. The International Clinic was held all virtually. Everyone was able to receive all the required information but all participants missed the fraternalism that comes with our great organization. We met via ZOOM on June 13 and July 18. I would like to thank all the leaders of the groups for joining us on Saturday mornings and being flexible. I thank you all for your commitment.

In attendance were:

- **Group 1**
  - Director Steven Pogorelec
  - Directress Amber Freda

- **Group 2**
  - Directress Tina Neudec

- **Group 3**
  - Director Gary Manyak
  - Assistant Director Zach Manyak
  - Directress Judy Manyak
  - Assistant Directress Jaque Manyak, Skylar Manyak and Kenzie Manyak

- **Group 4**
  - Assistant Director Noah Romine
  - Directress Tricia Radtke
  - Assistant Directress Lisa Hoeck

- **Group 5**
  - Directress Jayme Blosser
  - Assistant Directress Nicole Leslie

- **Group 7**
  - Directress Kelly Palchanis
  - Assistant Directress August Palchanis
  - Director Matthew Malenovitch

- **Group 11**
  - Director Chaz Matlon
  - Assistant Director Luke Matlon
  - Directress Mary Matlon

- **Group 12**
  - Director Chris Antosy
  - Directress Kathleen Smolkowicz
  - Assistant Directress Myra Tadlock

- **Group 14**
  - Director Aaron Kercl

The Virtual International Clinic was held over two separate 3 hour sessions. The first session was focused on introductions to the new SPFB members, International Slet rules, regulations, the NEW 30 and over age group, the NEW 3 on 3 Basketball for 8-9 and 10-11-12 year old age group, track and field changes and additions, as well as new ideas.

The second session was held on July 18th and there was a review of several rules, the 50th International Slet schedule to be held in Kutztown University in Pennsylvania, and we did a break out activity. ZOOM randomly divided all the participants into 5 different groups. Each group was given the task to organize an event for each group to use during different seasons. All the ideas were great!!! We will be sending all the ideas to each leader. We understand that planning events come easy to some people and can be overwhelming for others. The SPFB wants all the leaders to have fun leading and not feel stressed over planning an event.

The SPFB is planning a mini clinic in January or possible March. We will be organizing this event while taking any restrictions COVID-19 may bring.

The participants asked for a video or slideshow to show new members the meaning of our organization. Supreme Assistant Sports Director Frank Laury has created a video in the past so he will take the lead on this project. A September 15th deadline has been requested.

We wanted to make sure all people are receiving the Falcon via online. This was a lengthy discussion. If you or your children are not registered and receiving the monthly Falcon, please register on www.slovakcatholicsokol.org. Please encourage all members to do so.

#sokolsrocks

A new idea was suggested by the new Director from Group 12, Christopher Antosy. All the participants are very excited! A way to keep the youth and all ages engaged during this hard time is to start a #sokolsrocks campaign. We encourage any members to paint a rock and add #sokolsrocks on it. Then they can place it around their club, town or area for others to find. They can submit a picture to me when they are finished with their rock or find one. I will post them on facebook/Instagram/and twitter. A detailed article and flyer will be submitted to spread the word.

The SPFB was very excited to welcome several new leaders! We are very happy to see the return of Group 2 and Group 12! We will all work hard to make this transition to coming back fun and easy.

The first ever Slovak Catholic Sokol Virtual Clinic was a success but all the participants felt the same and missed the physical meeting and fraternalism. We are hoping to be together once COVID19 is under control. In the meantime, we will continue to stay connected virtually and keep all communication flowing.

Stay safe and healthy.

Zdar Boh,

Katie Swift, Supreme Physical Directress

MATOVIC IN WARSAW: POLAND EXAMPLE FOR SLOVAKIA IN FIGHTING CORRUPTION

Poland was a model for Slovakia in fighting communism, and now Poland is a model for Europe, especially Eastern and Central Europe, in fighting corruption and drawing EU funds, from which Slovakia wants to learn, Slovak Prime Minister Igor Matovic said on Friday, July 3 at his meeting with Polish Prime Minister Mateusz Morawiecki in Warsaw as part of his first visit to the country in office.

Matovic noted that he invited Vice-premier and Minister of Investments, Regional Development and Informatisation Veronika Remisova to accompany him on this foreign visit. He did so precisely because at the European Commission “we only hear good things about Poland”, how it’s managed to draw European funds.

“We want to learn a lesson in this area. Unfortunately, Slovakia has big problems with drawing EU funds and the corruption associated with their absorption,” said Matovic.

Morawiecki highlighted close relations with Slovakia, which according to him are developing in a friendly way. The development of trade between the two countries came to a halt with the novel coronavirus outbreak but is gradually resuming, he added. At the same time he invited Slovak investors as well as tourists to Poland.

After the bilateral meeting the two premiers travelled from the building of the Government Office to Belweder Palace in order to attend a meeting of the premiers of the Visegrad Four (V4) countries (the Czech Republic, Hungary, Poland and Slovakia).

RYANAIR RESUMES FLIGHTS FROM BRATISLAVA AIRPORT AFTER FOUR MONTHS

Almost four months after the ban on civil flights was issued as a part of measures aimed at halting coronavirus spread, Ryanair, the largest airline operating direct scheduled flights from Bratislava, has resumed its flights from M.R. Stefanik Airport.

First passengers flew to Burgas in Bulgaria and to Paphos in Cyprus on Saturday, July 4.

Airport general manager Jozef Pojedinec said that the airline has reduced the number of flights within its Europe-wide network to some 40 percent this summer. While Ryanair offered 26 regular lines from Bratislava last year, this year it plans to resume only 12 of them. However, four of them include destinations in Great Britain where the ban on civil flights is still in effect,” he said. First flights on resumed lines to destinations in Greece, Ireland, Spain and Italy should take place next week.

The summer charter holiday season should be launched

LORRY SEEN ON CYCLING BRIDGE LINKING SLOVAKIA & AUSTRIA, DAMAGE POSSIBLE

The well-known Freedom Cycling-Bridge in the Bratislava borough of Devinska Nova Ves, colloquially known as Chuck Norris Bridge, which links Slovakia and Austria over the Mora-va River, was closed by the Slovak authorities after a heavy lorry with Slovak licence plates was spotted by surveillance cameras attempting to pass it from Austria to Slovakia.

The lorry was unable to pass through barriers on the Slo-vak side of the cycling bridge, however, so the driver had to reverse to Austria.

“It’s absurd and reprehensible to drive a lorry on a cycling bridge. The driver put in jeopardy himself, the lives of other people and the bridge’s stability,” said Bratislava region governor Juraj Droba. He added that apart from cyclists and pe-destrians, the cycling bridge is also used by rescue services, but it certainly hasn’t been designed for heavy lorries.

The Bratislava regional authority now has to examine the stability of the bridge before allowing the public to cross it.

Meanwhile, the police have launched investigation into the crime of endangering public safety out of negligence.

Before the bridge was opened in 2012, the regional au-thority organised an on-line poll to select its name, with ‘Chuck Norris Bridge’ winning the on-line vote by a landslide.

Nevertheless, the regional parliament in the end opted to call it ‘Freedom Cycling-Bridge’ to honor those who were killed while attempting to cross the Iron Curtain.

The Holic Castle in Trnava region (western Slovakia) is a ba-roqueclassicistic edifi ce with a specifi cally shaped mediaeval fortifi cation. It was built in the late 12th century. The most fa-mous owner of this estate was Francis Stephen, the Duke of Lorraine and husband of Empress Maria Theresa. Apart from Bratislava, Holic was the only imperial seat in Slovakia.

During Maria Theresa’s reign, the castle was developed into a beautiful summer residence for the royal family. After 1918 it became a property of the state and was used as a school. Though declared a national cultural monument in 1970, it underwent an unsuccessful privatisation after the fall of the communist regime. Now the castle is back in the hands of the Holic municipality after much-needed reconstruction.
in mid-July, as travel agencies started to sell flights for holidaymakers as of that time. “The flights to Zakynthos, Heraklion in Crete, Rhodos, Burgas will follow as of July 16. Flights to Antalya in Turkey and Hurghada in Egypt are planned as well, however, their implementation will depend on opening of Slovakia’s borders with Turkey and Egypt, as these are still closed and flights thus cannot take place,” said Chief Operating Officer Imrich Ancin.

**NITRA CUSTOMS OFFICERS SEIZED 1.5 TONS OF DRUGS IMPORTED FROM MEXICO**

Members of the Financial Administration [the tax office] from the Nitra Customs Office prevented 1.5 tons of drugs from entering the black market as they discovered at the end of May a hiding place for drugs imported from Mexico also with the help of a financial administration’s dog trained to search for drugs.

The Financial Administration passed the case of the drug seizure, which has no equal in Slovakia, to the police.

Members of the Financial Administration from the Nitra Customs Office inspected two metal tanks for liquids, the transport of which they identified as a risky customs operation. The shipment came along a well-known drug route from Mexico. The goods were transported from Mexico through a Croatian port with the aim of clearing the goods in Slovakia, from where they could move freely throughout the European Union.

Nitra customs officers drilled holes in the bottom of the tank, which revealed a large amount of white crystalline substance hidden along the bottom of the metal tank. The initial analysis indicated methamphetamine. The value of the substance is 300 million Euro ($338,628,000), in the case of single user doses an estimated value is up to 2 billion Euro ($2,258,830,000).

“There is more treasure in books than in all the pirate’s loot on Treasure Island.” - Walt Disney
In the original Roman calendar the month of August was called Sextilis. This was because it was the sixth month of the year. Later, after January and February were added to the calendar, it became the eighth month of the year. At the time the month had 29 days. When Julius Caesar created the Julian calendar in 45 BC, two days were added giving the month 31 days. The month was later renamed Augustus in honor of the first emperor of Rome, Caesar Augustus.

**AUGUST 1** – Star-Spangled Banner author Francis Scott Key (1779-1843) was born in Frederick County, Maryland. After witnessing the British bombardment of Fort McHenry on the night of September 13-14, 1814, he was enthralled to see the American flag still flying over the fort at daybreak. He then wrote the poem originally entitled Defense of Fort McHenry which became the U.S. National Anthem in 1931.

**AUGUST 2, 1776** – In Philadelphia, most of the 55 members of the Continental Congress signed the parchment copy of the Declaration of Independence.

**AUGUST 2, 1939** – Albert Einstein wrote a letter to President Franklin D. Roosevelt concerning the possibility of atomic weapons. “A single bomb of this type carried by boat and exploded in a port, might very well destroy the whole port together with some of the surrounding territory.” Six years later, on August 6, 1945, the first Atomic Bomb, developed by the U.S., was dropped on the Japanese port of Hiroshima.

**AUGUST 4** – Jazz trumpet player Louis Armstrong (1901-1971) was born in New Orleans, Louisiana. Known as “Satchmo,” he appeared in many films and is best known for his renditions of It’s a Wonderful World and Hello, Dolly.

**AUGUST 6-10, 1787** – The Great Debate occurred during the Constitutional Convention. Outcomes included the establishment of a four-year term of office for the President, granting Congress the right to regulate foreign trade and interstate commerce, and the appointment of a committee to prepare a final draft of the Constitution.

**AUGUST 6, 1945** – The first Atomic Bomb was dropped over the center of Hiroshima at 8:15 a.m., by the American B-29 bomber Enola Gay. The bomb detonated about 1,800 ft. above ground, killing over 105,000 persons and destroying the city. Another estimated 100,000 persons later died as a result of radiation effects.

**AUGUST 13, 1961** – The Berlin Wall came into existence after the East German government closed the border between east and west sectors of Berlin with barbed wire to discourage emigration to the West. The barbed wire was replaced by a 12 foot-high concrete wall eventually extending 103 miles (166 km) around the perimeter of West Berlin. The wall included electrified fences, fortifications, and guard posts. It became a notorious symbol of the Cold War. Presidents Kennedy and Reagan made notable appearances at the wall accompanied by speeches denouncing Communism. The wall was finally opened by an East German governmental decree in November 1989 and torn down by the end of 1990.

**AUGUST 14, 1935** – President Roosevelt signed the Social Security Act establishing the system which guarantees pensions to those who retire at age 65. The Social Security system also aids states in providing financial aid to dependent children, the blind and others, as well as administering a system of unemployment insurance.

**AUGUST 15** – French Emperor Napoleon Bonaparte (1769-1821) was born on the island of Corsica. Originally an officer in King Louis’ Army, he rose to become Emperor amid the political chaos that followed the French Revolution. He built a half-million strong Grand Army which utilized newly invented modern tactics and improvisation in battle to sweep across Europe and acquire an empire for France. However, after defeats in Russia and later by the British, he went into exile on the island of St. Helena off the coast of Africa. On May 5, 1821, he died alone on the tiny island abandoned by everyone.

**AUGUST 17, 1978** – The first transatlantic balloon trip was completed by three Americans; Max Anderson, Ben Abruzzo, and Larry Newman, all from Albuquerque, New Mexico. Starting from Maine on August 11th, they traveled in Double Eagle II over 3,000 miles in 137 hours, landing about 60 miles west of Paris.

**AUGUST 18, 1920** – The 19th Amendment to the U.S. Constitution was ratified, granting women the right to vote.

**AUGUST 21, 1959** – President Dwight D. Eisenhower signed a proclamation admitting Hawaii to the Union as the 50th state.

**AUGUST 26** – American inventor Lee De Forest (1873-1961) was born at Council Bluffs, Iowa. He held hundreds of patents for inventions and was also a pioneer in the creation of wireless radio broadcasting and television.

**AUGUST 31, 1997** – Britain’s Princess Diana died at age 36 from massive internal injuries suffered in a high-speed car crash, reportedly after being pursued by photographers. The crash occurred shortly after midnight in Paris inside a tunnel along the Seine River at the Pont de l’Alma bridge, less than a half mile north of the Eiffel Tower. Also killed in the crash were Diana’s companion, Dodi Fayed, 42, and chauffeur Henri Paul. A fourth person in the car, bodyguard Trevor Rees-Jones, was seriously injured.

At several parishes in the Diocese of Harrisburg, Sister Mary Gilbert served as Director of Religious Education: Prince of Peace in Steelton, Queen of the Most Holy Rosary in Elysburg, St. Stephen and St. Joseph in Shamokin, and St. Joseph in Danville. At St. Joseph Church in Milton, Sister was the RCIA coordinator. At St. Gregory the Great Church in Bluffton, SC, Sister was a volunteer in Pastoral Services.

Upon retirement to Maria Hall in Danville, Sister Mary Gilbert served as receptionist and engaged in the Ministry of Prayer and Hospitality. In 2016, she moved to Emmanuel Center where she embraced the Ministry of Prayer and Companion to the Elderly.

Sister Mary Gilbert’s departure for heaven on Easter Sunday, April 12, 2020, was a sad and happy occasion. Sad for all those who knew her smile and laugh, and her affectionate greetings for those who visited her. Happy in that Sister Mary Gilbert could rejoice in the heavenly choirs resurrecting the Alleluias. Undoubtedly, her alto was a happy addition to the singing!

Because of the pandemic restrictions, a graveside service was held to bury Sister Mary Gilbert on April 15, and a Memorial Mass will be celebrated when her family members and friends are able to attend.

Donations in memory of Sister Mary Gilbert can be made to the Sisters of Saints Cyril and Methodius, Villa Sacred Heart, Danville, PA 17821.

SISTER CYNTHIA MARIE GAZDO, SS.C.M., 78

Patricia Anna Gazdo was born in Uniontown, PA, on February 11, 1942, the second of four children and the daughter of Peter and Suzanna (Brinza) Gazdo. Patricia attended Holy Rosary School in Republic, PA, and completed her education at Immaculate Conception School, Middletown, PA. In 1961, she graduated from St. Cyril Academy, Danville, PA.

Patricia entered the Sisters of Saints Cyril and Methodius in Danville on September 8, 1961, was received as a novice on August 13, 1962, thereafter known to all as Sister Cynthia Marie. Sister made her first profession on August 13, 1964.

Sister Cynthia Marie performed general duties at St. Methodius Convent, Maria Joseph Manor, Maria Hall, Danville and at Villa St. Cyril, Highland Park, IL. For any duty Sister Cynthia Marie took on, she worked with dedicated effort. Long before the days of instant communication, Sister Cynthia Marie was the person who knew everything—what was in every closet, where to look for something that had gone missing, who could help with any difficulty, where anyone was at any given time of the day. She was the “go to” person at St. Methodius Convent, the Motherhouse. When her health necessitated that she assume less responsibility, Sister Cynthia Marie engaged in the Ministry of Prayer and Hospitality at Maria Hall and later Emmanuel Center.

At Emmanuel, Sister Cynthia Marie was often seated in the area in front of the nurses’ desk in the 100 wing. There she radiated a contagious smile, welcoming anyone passing by or stopping to speak with her or any of the other residents there.
Residents looked forward to being positioned near her since her light-hearted disposition was entertaining and comforting to them. Sister Cynthia Marie was genuinely happy to see anyone—and generous with sharing her delight in being present to them. Sister Cynthia Marie’s friends were loyal and faithful, the loving kind of people who are attracted to that same kind of faithfulness which they found in her.

Sister Cynthia Marie went home to God on April 3, 2020, at Emmanuel Center, Danville. A graveside service was held on April 7, because of the restrictions on group gatherings. A Memorial Service will be held at a later date.

Donations in memory of Sister Cynthia Marie can be made to the Sisters of Saints Cyril and Methodius, Villa Sacred Heart, Danville, PA 17821.

DOBŠINSKÁ LADOVÁ JASKYŇA SLÁVI 150 ROKOV OD OBJAVENIA

V 15. júna uplynulo 150 rokov od objavenia Došinskej ľadovej jaskyne, ktorá patri k najväčším v Európe a medzi najvýznamnejšie ľadové jaskyne na svete. Vďaka svojmu významu a unikátnej výzdobe bola v roku 200 zaradená do Zoznamu svetového dedičstva UNESCO.

SLOVANSKÁ EKONOMIKA PADNE O 9 PERCENT

Slovenské hospodárstvo by sa podľa aktuálnych odhadov bankových analytikov malo v tomto roku prepadnúť o 8,8 %. Vychádza to z júnového kola pravidelného príehová cca Národnej banky Slovenska (NBS) medzi analytikmi komerčných bánk.

V samotnom druhom štvrtku sa pritom podľa analytikov slovenské hospodárstvo prepade až o 14,2 %. Ide o priemerný odhad, keď sa ich prognozy pohybali v rozpätí od 18,2 % až 9,9 %.

Bankoví analytiči tak oproti máju niekoľko zhoršili svoj odhad tohto ročného vývoja hospodárstva, keď pred mesiacom predpovedali medziročný prepad hrubého domáceho produktu o 8,3 %. Ich odhad je však stále o niečo mierne významnejšie, ako napríklad prognoza rezortu financií, ktorý aktuálne počíta s tohto ročného poklesom ekonomiky o takmer 10 %. Oživenie očakávajú už v budúcom roku, kedy sa predpokladá, že v prípade rast hospodárstva o 6,9 %, čo však znamená zmiernenie odhadu oproti máju o 0,3 percentuálnom bodu.

Negatívny vývoj hospodárstva by sa pritom v tomto roku mal podpiťať pod nárast úrovne nezamestnanosti na 8,8 % a rast nominálnych mzd na 1,2 %. Pri odhadovanej 1,9-percentnej harmonizovanej inflácie sa napríklad reálny platami mali do-
konca v tomto roku klesnúť. Mierne oživenie môže sa napríklad odkazovať na aspekt jaskyni, ktorým je elektrické osvetlenie.

SLOVENSKÁ COLNÍCI ZACHYTILI 1,5 TONY DROG DOVÁŽANÝCH Z MEXIKA

Príslušníci finančnej správy z Colného úradu Nitra zabránili, aby sa na čierny trh dostalo 1,5 tony drog. Prípad záchytu drog, aký na Slovensku nemá obdobie, postúpila z hľadiska vecnej príslušnosti finančná správa policii, informovala hovorkynia finančnej správy Ivana Skokanová.

Príslušníci finančnej správy z Colného úradu Nitra kontrolovali dve kovové nádrže na kvapaliny, ktorých prepravu identifikovali ako rizikovú colnú operáciu.

"Zásielka totiž prišla po známej drogovej trase z Mexika. Tovar bol prepravovaný v režime tranzit z Mexika cez chorvátsky prístav s cieľom precliť ho na Slovensku, odkiaľ by sa už mohol voľne pohybovať v celej Európskej únií," skonštovala Skokanová.

Príslušníci finančnej správy preto vykonali všetky procesné úkony vrátane kódu na skomplikované colné kontroly tovaru.

Pri colnej kontrole využili viaceré technické prostriedky vrátane mobilného skenovacieho zariadenia a žeriava na manipuláciu s nadrozmerným nákladom. Pomohol aj služobný pes finančnej správy Hutch so svojím psovodom.

"Práve vďaka nemu identifikovali podozrenie, že v nádrži sa nachádza nelegálny tovar, čo sa aj kontrolou potvrdilo," potvrdila Skokanová.

Príslušníci finančnej správy navrhtali do spodnej časti nádrže diery, vďaka ktorým objavili veľké množstvo bielej kryštálitej látky ukrytej pod spodný časť kovovej nádrže.

V prvotnom rozbor poukázal na metamfetamin (pervitin). Hodnota látky dosahuje 300 miliónov eur, v prípade jednorazových užívateľských dávok odhadom až hodnotu dvoch miliárd eur.
