## Message from our Supreme President

Michael J. Horvath

The plans for the Society's 34th Quadrennial Convention, August 5-8, 2023, at the Scranton Hilton, Scranton, PA, are being reviewed and updated to assure the Delegates and guests a pleasant stay and grand experience in the Electric City.

The Verification Committee, as per our By-Laws, myself and our Supreme Secretary, Scott T. Pogorelec, F.I.C. met on April 12, 2023, at the Home Office to examine the Delegate forms sent in by the Groups, Assemblies and Wreaths to verify the eligibility of the members wishing to be a delegate to the 34<sup>th</sup> Quadrennial Convention. Over 180 delegate forms were received, which shows the membership is involved and interested in making decisions that will improve our Society. The Committee

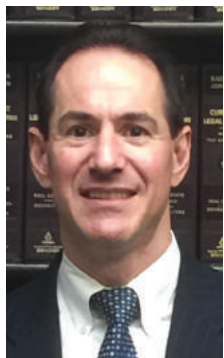

also selected from the members that indicated on their form they were willing to serve on a Convention Committee the members to serve on the various Committees. Information on the Convention schedule, and proceedings are being sent to the Delegates for their planning.

On Saturday, April 15, 2023, Brother Scott, and I had the privilege of traveling to East Douglas, MA to honor our 2022 Fraternalist of the Year (FOTY) Sister Judith Manyak from Group 3, Douglas, Massachusetts. Sister Judy's family organized a welcoming and warm fraternal celebration for her at the Group 3 Sokol Club. With her family and friends in attendance Brother Scott and I gave remarks on how important Sister Judy is to Group 3 and Society by being a leader who takes care of not only her own but an extended national Sokol family. For over three decades she took her teams into battle on the hardwood

## LAW DAY MESSAGE FROM OUR GENERAL COUNSEL

On May 1, 2023, America celebrates Law Day. This marks the 66th annual observance of this special day set aside to commemorate the law. Law Day provides an opportunity to understand how law and the legal process protect our liberty, strive to achieve justice, and contribute to the freedoms that all Americans share. It is an appropriate occasion for us to pause and

consider the role of law in our society and the responsibilities of every citizen with respect to law. We should dedicate this day and emphasize the great heritage of American law which protects our rights and freedom. This year's theme is "Cornerstones of Democracy: Civics, Civility, and Collaboration" which emphasizes the dynamic growth of the law that continues to function and protect our freedoms despite the complexity and size of our government and society.

Our nation is dedicated to individual liberty and the fundamental freedom of man. We Sokols instinctively recognize the law as the guardian of our liberty. We know that where the law is disobeyed, there chaos exists. Our law, although not perfect, is the marvel of the modern world. Under it, we have grown and progressed to become the richest and most powerful nation in the world. For over 247 years, we have prospered through an ingenious system of laws founded upon a written Constitution setting forth the limited powers of a central government with defined checks and balances upon co-equal branches of government. Today in our country, every person enjoys more equal social justice, more protection of life, liberty, and property, a broader opportunity to pursue happiness, and a greater personal freedom than has ever been provided for by any other system in recorded history.

What should Law Day mean to you as a Sokol? My message of Law Day to each of you is that a just and democratic rule of law must prevail in order that we may live

## FROM THE DESK OF THE SUPREME SECRETARY SCOTT T. POGORELEC, F.I.C. CONVENTION PREP!

Greetings from Passaic, NJ! Spring is here and for most of us, the temperatures are slowly rising. We have even experienced some 90 degree days here in Jersey!

It is hard to believe, but the Convention is three months away. By now, most of our Delegates should have received their first correspondence with the hotel reservation information and the tentative Convention Schedule. I wanted to give our Delegates a little tutorial on how to access some of our Convention items that are currently on or will be on the website under our Convention Menu. If you go to our website, [www.slovakcatholicssokol.org](http://www.slovakcatholicssokol.org), you will see a list of items on the top of page. The last item on the right, you will find "Convention".

If you click "Convention", your browser will go directly to the menu.

Currently on the Menu, you will find the aforementioned reservation letter and updated schedule. Regarding the reservation letter, all rooms are based on double occupancy. The Single Room Supplement is \$250.00 and must be pre-paid before July 15, 2023 payable to the "Slovak Catholic Sokol." Delegates should make every effort to pair-up and share rooms. You will also find the Convention Committee information. Please note that all suggested and recommended changes to be considered by the By-laws and New Motions Committees must be submitted in writing and mailed to the Home Office no later than May 31, 2023. Also, any petition and donation requests must be submitted in writing and mailed to the Home Office by July 3, 2023. No donation requests will be accepted from the Convention floor.

In the coming weeks, we will continue to add more information to the Convention Menu, such as the Four-Year Supreme Officer Reports. We have decided that it is more efficient and cost effective to put the reports up electronically for our Delegates to read. I will also be emailing the reports to all the supplied emails given by our Delegates in their registration form. If any delegate still wants a hard copy mailed to them, please contact me at the Home Office and I will be glad to send you one.

If anyone has any questions regarding the Convention, please feel free to reach out to me at (800) 886-7656 or email me at, [scott@slovakcatholicssokol.org](mailto:scott@slovakcatholicssokol.org).

A big congratulations to our 2022 Fraternalist of the Year, Judith Manyak, of Douglas, MA. I had the pleasure of attending the celebration of Judy on April 15, 2023 in Douglas, MA. Sister Judy has been a member of our Society for over 50 years and those years have been filled with service, passion, and love. Congratulations again Judy!

God Bless all our Members and Happy Mother's Day to all our Sokol Moms!

Until next time, stay safe, stay strong, and STAY POSITIVE!

Zdar Boh!

## MINUTES OF THE 2023 SLOVAK CATHOLIC SOKOL MUSEUM BOARD OF DIRECTORS

On March 17, 2023, at 9:00 a.m., S.C.S. Museum President Edward D. Moeller called the meeting to order and welcomed everyone to our annual meeting.

A Memorial Prayer Service to pray for all members who have died this past year was conducted by Supreme Chaplain, Rev. Andrew S. HvozdoVIC.

Supreme Physical Director, Martin Degnan, led the Board in the Pledge of Allegiance.

Brother Moeller proceeded to ask Museum Secretary/Treasurer James Knis, to conduct the roll call of the Museum Board of Directors. The roll call was conducted, and all ten Directors were present.

The minutes of the 2022 Annual Meeting of the Slovak Catholic Sokol Museum Board held on March 19, 2022, were approved on a motion made by Supreme General Counsel John Pogorelec Jr., and seconded by Chairperson of the Supreme Auditors, James Jerek. Motion approved by a voice vote.

Under correspondence, Museum President Moeller reported we received thank you letters from three of the four recipients of last year's scholarships.

Brother Moeller noted that thanks to the generous donations from members and corporate donors, the Slovak Catholic Sokol Memorial Scholarship Fund continued to accumulate enough funds which has allowed us to offer four \$1,000 scholarships. He acknowledged we again received a generous donation from PNC Bank through the efforts of Mr. Thomas Calimano, Vice-President/Marketing Director, and S.C.S. Portfolio Manager.

Museum Treasurer Knis reported a net increase of \$1,061.48 as the January 1, 2022, balance was \$22,432.51 and the December 31, 2022, balance was \$23,493.99. Museum funds are deposited into two accounts, \$11,614.24 with PNC Bank which earns a minimum amount of interest and \$11,879.75 which earned 2% interest with the Sokol Secure Fund. 2022 total income was \$5,094.48, with \$4,785.00 coming from donations and \$309.48 from interest. The Treasurer reported total expenses for 2022 of \$4,033.00, which represents four \$1,000 scholarships and \$33.00 for the New Jersey filing fee. The Treasurer advised the names of the donors were published quarterly in the Falcon. A motion to approve his report was made by Supreme President, Michael Horvath, and seconded by Supreme Director of Sports and Athletics, James Matlon and approved by a voice vote.

Supreme Secretary, Scott Pogorelec reported we had four visitors to the Museum this past year.

A discussion was held regarding the importance of getting the video of the Museum completed this year, especially in line with the possible sale of the building.

Chairman Moeller asked for a motion to adjourn. The meeting was adjourned on a motion from Supreme President, Michael Horvath and seconded by Supreme Physical Directress, Katie Swift. Motion was approved by a voice vote.

Thoughts from our Supreme Chaplain,  
Rev. Andrew S. Hvozdivic  
**MAY IS MARY'S MONTH**

For centuries, the Catholic Church has emphasized the month of May as a time of honor and devotion to the Blessed Virgin Mary. Parishes and families often celebrate with special pilgrimages, devotions, or placing a crown on a statue of Mary, traditionally called a "May Crowning."

On April 29, 1965, Pope Blessed Paul VI promulgated his encyclical *Mense Maio* ("The Month of May"), which promoted May devotions to the Blessed Mother, knowing that, "the person who encounters Mary cannot help but encounter Christ likewise". Despite being a lesser-known encyclical, its timing and topic are revealing. Released on the eve of the last session of the Second Vatican Council and amid escalating violence and unrest of the Vietnam War and the 1960's, the help of Mary was "a matter of top priority" considering "the present needs of the Church and the status of world peace". The words of Paul VI are just as relevant today. In our contentious social and political climate, focusing on Mary is not a pious distraction from real issues, but a vital source for grace, truth, and mercy.

May devotions to Mary began in the 13<sup>th</sup> century, but there is little information to know how it was celebrated. In its present form, the practice of May devotions to Mary originated within the Society of Jesus (the Jesuits) in the 18<sup>th</sup> century under Father Latomia of their Roman College. Shortly afterwards, devotions were adopted at the Jesuit's mother church in Rome, the Church of the Gesù, and then began to spread throughout other area churches to the entire globe. (Pope Francis, who is also a Jesuit, has a special devotion to Mary, Undoer of Knots, a phrase first attributed to St. Irenaeus of Lyons who said, "The knot of Eve's disobedience was loosened by the obedience of Mary").

The image of Mary wearing a gold crown appears in early Eastern and Western iconography, drawing inspiration from the Coronation of Mary as understood in Catholic biblical tradition based on the passage from *Revelation 12:1*. Some churches and families participate in a special May Crowning celebration. Pope Clement VIII (1592-1605) first placed two crowns on the Marian icon called "*Salus Populi Romani*" in the Roman Basilica of St. Mary Major, but the crowns were later lost. On the Feast of the Assumption in 1838, Pope Gregory XVI once again added crowns in a special rite, officially starting the tradition as it is still performed today.

One reason the devotion has come to extend over the entire month is the abundance of Marian feast days in May: *Mary, Queen of Apostles* (Saturday before Pentecost – May 14<sup>th</sup>, this year), Our Lady of Fatima (May 13), Mary Help of Christians (May 24), and the Visitation (May 31).

For good measure, May also celebrates our biological Mother's Day (May 14<sup>th</sup>, don't forget!). Let Mary's month be a new reason to honor and celebrate your own mother.

There is no lack of reasons to stay close to Mary this month, and throughout our lives. Find ways to honor her with your words and actions by seeking new ways to bring about mercy and peace through our churches into our hurting world.

### DONATION REQUESTS FOR CONSIDERATION AT THE 34<sup>TH</sup> QUADRENNIAL CONVENTION

In order to insure that our members and delegates to our upcoming 34<sup>th</sup> Quadrennial Convention, scheduled for August 5 - August 8, 2023 in Scranton, PA, understand the procedure for donation requests at the Convention, I refer to page 15, Section 2.2(c) of our Bylaws. This section states: "The Petitions and Donations Committee shall consist of the Supreme Chaplain, Supreme President, and Supreme Secretary. Donations shall be limited to a maximum of Ten Thousand Dollars (\$10,000.00) to any one church, religious organization, social or cultural association, with a total donation limit of Thirty Five Thousand Dollars (\$35,000.00).

### SECOND SESSION Friday, March 17, 2023 - 1:00 p.m.

The Supreme President called the Second Session to order and asked the Supreme Chaplain to open the session with a prayer.

President Horvath then welcomed Allan Ferrone, CPS Actuarial, to present the **Actuarial Report**.

Mr. Ferrone presented the yearly report on the results of the Slovak Catholic Sokol's Annual Statement.

The Sokol assets now stand at just under one hundred million, as we saw annuity withdrawals pick up in 2022.

Brother Ferrone reported on the operational results in 2022. The amount of money the Sokol collects from investment income and premiums is less than the money being paid out for benefits, insurance/fraternal expenses, dividends, and the amount needed to fund the required increases in reserves. Brother Allan indicated the Sokol needs to find ways to lower expenses and went over certain areas where change can affect operations in a positive way. The Home Office and Board will continue to find ways to lower expenses.

A discussion ensued regarding the operational results and areas where the Sokol can improve their efforts. Mr. Ferrone answered all questions to the satisfaction of the Board.

Mr. Calimano and Ms. Cole also discussed future potential portfolio repositioning and PNC's outlook for the financial markets during these challenging times.

Brother Calimano addressed various questions from the Board concerning our performance outlook. He indicated the Society is in a strong financial position, especially in this volatile fiscal environment.

A motion to accept the report was made by Supreme Vice-President, Edward D. Moeller, seconded by Supreme Director of

## REPORTS OF THE SUPREME OFFICERS FOR 2022

### REPORT OF THE SUPREME TREASURER

I hereby submit my Annual Report for the year 2022 to the Supreme Board of Directors in compliance with the Constitution and Bylaws of the Slovak Catholic Sokol.

The duties, obligations, and responsibilities of the Supreme Treasurer are spelled out in our Bylaws, and I have worked to the best of my abilities to perform them as Supreme Treasurer. I again need to take this opportunity to thank all of the delegates for giving me this opportunity to serve as Supreme Treasurer.

As the Secretary/Treasurer of the Slovak Catholic Sokol Museum, I processed all donations to the Museum Account, reported those donations on a Quarterly basis in the Slovak Catholic Falcon, and processed all necessary paperwork.

In the month leading up to our first Board of Directors meeting, as Chairperson of the Budget Committee, I conducted several conversations with the Supreme Secretary, Supreme President, and Supreme Auditor regarding the 2022 Proposed Budget to present it for approval at that meeting.

On March 18-19, 2022, I attended the Slovak Catholic Sokol Museum Annual Meeting which was held in Wilkes-Barre, PA. During that meeting I presented the Museum's Annual Financial Report. At the conclusion of the Museum Meeting, I attended the First Quarterly Board of Directors Meeting for the year where I presented the Slovak Catholic Sokol Annual Budget for discussion and approval. It should be noted that the Board meeting was held in Wilkes-Barre so the Board Members could see firsthand the marketing campaign we are conducting in conjunction with the Wilkes-Barre Pens.

On May 13, 2022, assisted the Supreme Director of Sports and Athletics with the 76th International Bowling Tournament.

On June 23, 2022, I attended the Second Quarterly Board of Directors Meeting, which was held via Zoom.

In July, I submitted the required Annual Report to the State of New Jersey for the Slovak Catholic Sokol Museum. I also processed the Slovak Catholic Sokol Museum Scholarships which because of the growth of the scholarship funds, we were able to increase from three to four deserving recipients.

On August 13, 2022, assisted the Supreme Director of Sports and Athletics with the 66th International Golf Tournament.

On September 17-18, 2022, I attended the Third Quarterly Board of Directors Meeting for the year which was held in Independence, Ohio so the Board Members could attend the St. Andrew Abbey Centennial Mass and Celebration.

On October 9, 2022, I attended the Group 5 Annual Meeting, which was held via Zoom.

On December 4-5, 2022, I attended our final Quarterly Board of Directors Meeting for the year, which was held in Boca Raton, Florida.

Other Sokol activities included serving my 44th year as President of Assembly 180 in Canton, Ohio. Assembly 180 had another great year in representing the Sokol spirit. I participated in our philanthropic projects including school supplies for the needy, stocking the St. Mary's Food Pantry, supplying turkeys for the underprivileged, supporting Ronald McDonald house, and the purchasing and wrapping of Christmas presents for the underprivileged.

Finally, I want to thank my fellow Board Members, for their cooperation in working through the many issues which come before us as a Board and their support in dealing with the committees I was involved with, such as the Sokol Museum, the budget com-

mittee, and salary committee. While many organizations are still limited in their activities, the Sokols were able to conduct very successful Bowling and Golf Tournaments and the clinic in preparation for the Slet.

Zdar Boh!

**James F. Knis, Supreme Treasurer**

### REPORT OF THE GENERAL COUNSEL

In accordance with the provisions of Section 4.11G) of the Constitution and By Laws of the Slovak Catholic Sokol, the undersigned hereby submits this report for the Quarterly Meeting of the Board of Directors to detail the activities of the General Counsel during calendar year 2022.

Pursuant to the By Laws, my office continues to review new state and federal legislation pertaining to fraternal benefit societies in the various states in which the Slovak Catholic Sokol is licensed to do business. The objective is to determine whether pending litigation will have an adverse effect on or ability to continue to do business within each particular state. Particular emphasis is placed upon the review of tax legislation which may attempt to eliminate the tax exempt status of our organization. Currently, there is no adverse legislation which will negatively impact our organization.

As a member of the Board of Directors, I have attended all meetings called by our Supreme President. My participation at these meetings is well-documented, and the minutes of these meetings are published in our Slovak Catholic Falcon. When called upon by our Supreme President and Supreme Secretary, I have rendered opinions and given advice concerning questions of law relating to our Slovak Catholic Sokol organization. I continue to participate in as many Sokol functions as my schedule allows me to attend.

In matters concerning contract negotiations, I previously informed our membership that our organization entered into a contract with one of its long-standing tenants to sell a parcel of real estate on the home office site which had previously served as our print shop. The purchase price is \$185,000.00. The buyer finalized its plans and filed a development application for review and approval by the Zoning Board of Adjustment of the City of Passaic. The hearing date is scheduled for February 21, 2023. Once the buyer receives the appropriate approvals from the municipal zoning board, we can proceed with closing of title of the property in question.

Our mortgage portfolio is in good standing. There were no new mortgages issued during the past year, and our mortgage portfolio has dwindled to two (2) mortgages. This is a wonderful fraternal benefit which we offer to our members when they consider purchasing homes. However, there seems to be little interest since commercial lenders are apparently offering more favorable terms. As interest rates continue to increase in the future, our members will recognize that our program is more favorable to them. With respect to our current two (2) mortgages on file, I verified that the property taxes and insurance are all paid to date.

There are no pending lawsuits against the organization. I previously informed the membership of a generous benefactor that passed away leaving a Last Will and Testament with a specific bequest to the Slovak Catholic Sokol. As previously reported, the will was admitted to probate and later challenged by another heir in Lorraine County Probate Court. The will contest litigation settled out of court in 2021, and our organization received its distributive

share of the estate earlier this year. The inheritance proceeds totaled \$22,727.98.

This past year I worked with Jennifer Romine, Group 4 President, and Lisa Hoeck, Financial Secretary, to secure a new headquarter location for the said Group. Group 4 has a unique situation when it comes to membership. Group 4's headquarters is Chicago, Illinois, Wisconsin, Illinois, and Indiana. While in the past many active members have been represented from each state, unfortunately, this is not the case as much anymore. While traveling to international competitions, the large majority of the group's participants reign from the Milwaukee, Wisconsin area. Due to their demographics and involvement over the years, Group 4 members are requesting a city and state change. They definitely would like to keep its Group 4 name as well as its members from Wisconsin, Illinois, and Indiana; Consequently, they are only requesting a city and state change for its headquarters from Chicago, Illinois to Milwaukee, Wisconsin. The Board of Directors considered the request at the December quarterly meeting, but stayed the matter pending the receipt of further information from the Group officers.

As General Counsel and President of Group 1, I attended the Group President's meeting on October 1, 2022 at the Hilton Scranton and Convention Center in Scranton, Pennsylvania.

This will be the site of our next quadrennial convention scheduled from August 5-8, 2023. It was nice to meet in person, since the last time we had convened as a body was in August 2019. We had a wonderful discussion about fraternalism. The Presidents decided they have work to do after the meeting and gave themselves six (6) goals to meet in 2023. I wanted to share with you a list of goals that we came up with:

- 1) Send at least ten (10) new e-mails to our Supreme Secretary before Christmas with names of potential new members;
- 2) Submit an article and/or pictures to the Slovak Catholic Falcon about Group activities within the next six (6) months;
- 3) Try to plan something for Join Hands Day and make sure that the information is published in the Slovak Catholic Falcon;
- 4) Each year, every group should be sending in a nomination for the National Fraternalist of the Year;
- 5) Create a Facebook communication page for your group; and
- 6) Send a donation to the Slovak Catholic Federation.

The Presidents said that they will mention the goals at their Group's annual meetings to let the membership know what the goals are which can help with communication between the Society, the Groups and membership.

In matters concerning the economy, the year 2022 will be remembered as one of the most consequential in Federal Reserve history. The central bank raised interest rates by a cumulative 4.25% this year, the most since 1980. Between June and November, the central bank raised its benchmark interest rate by .75 basis points at four (4) consecutive meetings. Not since 1994 had the Federal Reserve raised rates by .75% at even a single meeting. What is prompting the rate increases is skyrocketing inflation. Last year, consumer inflation has clocked in at 7.1%--the fifth straight monthly drop but still a painfully high level. The volatility in the financial markets, driven by Federal Reserve actions, inflation fears, rising COVID trends, and the war in Ukraine, has not eased.

The toughest issue we experienced this year as a governing body is how our equities are performing, which is not well in this precarious stock market environment. Their performance directly affects our unrealized gain/loss and Asset Value Reserve. As of December 31, 2022 the Sokol portfolio value was \$84,712,264, and, as December 31, 2021 the value was \$114,918,191.

During 2022, the bond portfolio was impacted by rising inter-

est rates and overall the portfolio experienced net withdrawals of almost \$9.5 million.

Bond prices declined year over year in 2022. Most of the decline took place after the first nine (9) months of the year with a recovery in the fourth quarter. However, the recovery was not enough to offset the full year decline. The silver lining is the yield to maturity is significantly higher when we are reinvesting maturities.

As a governing body, we continue to explore any opportunities which would benefit our membership. I am confident that membership growth will continue, which is vital for the future of the Slovak Catholic Sokol. Throughout the course of the year, I have submitted articles and reports to our Slovak Catholic Falcon for matters which are informative to our membership. In local matters, I continue to serve as President of Group 1, and I continue to serve as President of Assembly 162 in Clifton, New Jersey.

I wish to thank all of my fellow Supreme Officers for cooperation extended to me during the past year. May God bless our deliberations and touch our minds with His wisdom to make decisions for the good of all the members of the Slovak Catholic Sokol.

ZDAR BOH!

Respectfully submitted,

**John D. Pogorelec, Jr., General Counsel**

On December 3<sup>rd</sup>-5<sup>th</sup>, I attended the 4<sup>th</sup> Quarter Board of Directors Meeting held in Boca Raton, Florida. The final meeting of the year was extremely productive as we set goals for the last year of our four year term as a member of the Board of Directors. We continue to explore new ideas to expand our communications and increase participation for activities at the local, group and national level.

All of the arrangements for 2023 tournaments have been completed and I am currently working on locations for the 2024 bowling and golf tournaments. In closing I would like to thank all members of the Supreme Physical Fitness Board for their support during the year, especially my Assistant Frank Laury. Hopefully we will have a great turnout for our 50<sup>th</sup> International Slet, which will be held at Kutztown University from July 13<sup>th</sup> through the 17<sup>th</sup>, 2023.

Zdar Boh!

As we all know, this past year has seen some significant changes occur in the Sokol organization. But throughout these circumstances one constant that hasn't changed is the fraternalism that we share with each other. Whenever and wherever we gather there is a true bonding together through our love of the Sokol Way.

It was truly a pleasure to be a part of the resumption of activities in person. Conducting a Clinic, attending meetings and participating in the Bowling Tournament were a time for me to reflect on how lucky we all are to have friends from all over that we can share our brand of fraternalism with.

In closing, I'd like to thank all my family for their pride and support. Seeing them attend the Clinic Finale brought tears to my eyes. Thanks to the Board of Directors for making me feel welcomed as part of that distinguished group. Finally, thanks to the Physical Fitness Board and all of the Clinic participants. Without your hard word preparing for this event, the planning and execution, I feel that it would not have been the success that I saw it to be.

It is an honor to be associated with each and every one of you and to be your Physical Director.

The scholarship honors the memory of all our dedicated members who have labored on behalf of our Wreath 39 since it's founding in 1912 under the guidance of the late Father Matthew Jankola. ## LAW DAY MESSAGE FROM OUR GENERAL COUNSEL

(Continued from page 2)

together in a civilized society and enjoy the blessings of security and freedom. In reality, we ourselves create this rule of law, not only through our legislatures and the courts, but also, and in a more important way, by our daily conduct, by our respect for the law, by our respect for the rights of our neighbors, and by our own self-respect.

In a democratic system, government is the direct product of the society and exists to serve that society. Attitudes of indifference, contempt and hostility are not justified and cannot be tolerated. We should view our democratic government as our Sokol organization, a great corporation which we have organized to deal with business that is of great concern to all of us. In our government as in our Sokol organization, we are all shareholders and each of us has a vote. Only by understanding this and exercising our rights, does the rule of law become reality. As we identify with the democratic rule of law, so shall we identify with the goals and objectives of our beloved Slovak Catholic Sokol.

The obligation and responsibility to exercise the rule of law which at its best is the rule of justice, falls upon each of our shoulders. Whether or not we can build a better society in this country, will depend upon whether or not we decide and convince ourselves that we should obey the law and respect it regardless of whether we agree with it.

We have seen the cherished freedoms of our founding fathers survive over two hundred forty-seven years after their time. In our time, the deciding factors in making a lawful society work are you and me! Are you ready, willing, and able to meet the challenge?

In pursuit of the aforesaid goals, I join all our Sokols and Sokolky in commemorating Law Day, and I urge you to cherish your freedom by a dedication to the rule of law.

Zdar Boh!

Longtime and dedicated Group 3 activist Judith Manyak of Douglas, MA received the 2022 Fraternalist of the Year Award during the celebration on April 15, 2023 in Douglas, MA. Sister Judy has been an active Sokol Member of Wreath 18 since 1969, first as part of Group 2 then Group 3 when they merged with the Wreaths and Assemblies of Maine, Webster and Boston in 1993. Sister Manyak received the award from Supreme Secretary Scott T. Pogorelec (left) and Supreme President Michael J. Horvath (right).

Katie Swift, Judith Manyak and Kathy Watkins

Fraternalism is the relationships of friendship, companionship and fellowship that exists within an organization. As the Supreme Directress, I was honored to be able to travel to Douglas, Massachusetts and help celebrate the Fraternalist of the Year Award. The recipient of this esteemed award was given to the matriarch of our organization, Judy Manyak. Sister Judy is the perfect example of

friendship, companionship and creating fellowship for all of us. Judy has been our guiding light, mother hen, mentor, and the ultimate directress for our organization for over 30 years!

Every Directress and Physical Fitness Board member has sought her unending wisdom and guidance at some point. Judy is always there, always willing to help and always turning everything into a positive. When I started as the Assistant Directress of Group 14 many moons ago, Judy took me under her wing. I always looked forward to seeing Judy at all the different Sokol events and building memories. As time makes us older and life changes, Judy has not only been a Sokol mentor but a good friend and chosen family.

Through all of life's ups and downs, our friendship that started over 35 years ago, continues to grow. I hope Judy will continue to be at every Sokol event and continue to breed fraternalism. As the Supreme Directress, I hope I can be the encouragement to the upcoming youth as Judy has been to all of us. Congratulations on Fraternalist of the Year, Judy is the perfect example of a true Sokol.

floors of gymnasium at the Slets for Team Drill competition and won many of the battles. All Groups have looked up to Sister Judy for advice, with them asking WWJD, What Would Judy Do? Congratulations to Sister Judy Manyak for all that you do for the Society and a well-deserved recognition of your dedication.

With the whole month of May dedicated to the Blessed Mother, every day in May is set aside to honor, petition, and pray to the Blessed Mother. It is only fitting that on the second Sunday in May we honor our earthly mothers on their special day, Mother's Day, to express our love and reverence for our Mothers. Visiting or calling our mothers and wishing her a Happy Mother's Day says it the best.

I extend my best wishes to all our members who are Mothers, in any degree, "Happy Mother's Day". Let us also remember all Mothers who are deceased, since they are still and will always be with us.

Another day we celebrate in May is our national holiday, Memorial Day. Even though this day was created for remembering those who died while serving in the country's armed services, it also allows us to remember our deceased loved ones and friends. Take time on this unofficial beginning of summer and visit the cemeteries to remember our family and friends who are forever in our hearts and those who served our country.

In two weeks Sokol Bowlers and members from other Slovak fraternalists will meet for the 77th Annual Slovak Catholic Sokol International Bowling Tournament at the AMF Airport Lanes in Cheektowaga, NY. Supreme Director of Sports and Athletics, James C. Matlon, and the Supreme Physical Fitness Board have organized an outstanding and competitive tournament. See all of you, May 19-20, 2023, at the tournament and safe travels to all.

The Supreme Physical Fitness Board received from the Group Directors and Directresses the forms of their Group members that will be coming and participating in the 50th International Slet, July 12-16, 2023, at Kutztown University, Kutztown, PA. The Board will use this information to organize a memorable Slet for all the participants to enjoy this historic fraternal event.

All the 2023 Slovak Catholic Sokol Scholarship applications have been received and awarded to our members being educated in Catholic Grade and High Schools and those furthering their education at a college or university. The members will receive notification of their scholarship in the upcoming weeks.

As we begin to enter summer let us remember all things change and we accept change especially spring into summer as something good. Let us remember change happens in our lives and we deal with the change to make us better. This being the case, look at your insurance needs and examine what changes you need to assure you and your family have enough insurance. If you find you are underinsured, call the Home Office for advice and they will provide you with the information to purchase additional or new life insurance.

Stay Safe and Healthy!  
With God's Blessings to All!  
Zdar Boh!

### GROUP 7 ACTIVITIES

On Saturday, April 1, Group 7 members and friends attended the Wilkes-Barre/Scranton Penguins hockey game vs the Syracuse Crunch. A fun time was had by all despite a 3-2 Penguin's overtime loss.

Also in April, the Group held its annual Easter flower sale and proceeds were used to provide local families in need with dinner and goodie baskets for Easter.

## **SLOVAK CATHOLIC SOKOL MEMORIAL SCHOLARSHIP FUND**

Have you found yourself looking for a way to memorialize a lost loved one or fellow Group/Wreath/Assembly member? Why not make a donation in their honor to the newly developed Memorial Scholarship fund? Your donation will assure that an annual scholarship be given out to a college age student who best exemplifies the meaning of fraternalism and volunteerism. Here's how it works: Send a check or money order to the Memorial Scholarship Fund clearly indicating the name to be memorialized. You can find a donation form on line at

[http://slovakcatholicsokol.org/  
members/memorialfrmframe.htm](http://slovakcatholicsokol.org/members/memorialfrmframe.htm)

or simply send your donation to: James F. Knis, SCS Museum Treasurer, 6385 Harbor Drive, N.W., Canton, OH 44718. Your bequest will be recognized in the Falcon as well as permanently added to the Memorial Scholarship Donation Log which will be kept at the Sokol Museum. Depending on the amount of funds collected, we will be able to award at least two \$1,000 scholarships annually. The hope is that the donated funds will begin a self-perpetuating interest bearing scholarship account.

Have you recently lost a loved one? You might consider earmarking donations to this fund in their memory.
