Attention: All Group Presidents, Sports Directors, Physical Directors,
Physical Directresses and members of the Supreme Assembly

Subject: 2011 Slovak Catholic Sokol - Athletic Program

Dear Sokols and Sokolky;

I would like to wish each of you a very Happy New Year and hope the Christmas season was filled with joy, excitement and great memories. It is hard to believe that 2010 is already over and we are now into a new year. I am hopeful that this year will be filled with health and happiness for you and your families.

Enclosed is the information pertaining to our 2011 program. I firmly believe it is a useful tool to help our local group leaders manage their responsibilities. With this said, the 2011 Slovak Catholic Sokol athletic calendar has been finalized and now is the time to start preparing and organizing your respective teams.

This package is a complete itinerary of our 2011 sports program. It includes information about the dates, locations and accommodations for all the fraternal events. As well I have included all tournament entry forms, any rule changes from last year, entry fee information and deadline dates. I have also included a section that outlines the needs and requirements to host an international event. Please read this package carefully and contact me directly if you have any additional questions.

As the leader in your respective group, I encourage you to circulate this information to all of your local officers and members who wish to participate. I strongly request that you adhere to the tournament entry form deadlines or penalties will apply. In addition, if tournament entry form deadlines are not met, then I will not be able to guarantee that tournament schedules and prize lists will be published in our Falcon before the event.

As in the past, it will be the responsibility of each team captain to secure his or her own hotel reservations at the various tournaments. I will "block off" a number of rooms on behalf of the organization, however you must contact the hotel to secure space.

As mandated by the 2007 Convention, all new members who are enrolled in the organization after January 1st 2008 will require a new minimum of \$5,000.00 worth of insurance coverage to participate in the 2011 program. Anyone who was a member before this date, can participate provided they have the minimum \$3,000.00 insurance or annuity coverage.

Therefore, I strongly suggest that you discuss this matter with your current members and if necessary, increase their insurance coverage or annuity coverage to ensure that they will be eligible to participate in this year's program. Please check with the home office to determine whether you need to increase your coverage. If you are 65 or older, you may not be required to increase your coverage.

The sooner we begin to prepare, the better the 2011 program will be for everyone involved. So let's work together and make this year a memorable experience for all of our members and families. With your support we can make this year one of the best ever for the Slovak Catholic Sokol's athletic and fraternal program!

Looking forward to seeing you. Zdar Boh!

Sincerely Yours,

READ THESE RULES CAREFULLY

The purpose and aim of our organization in sponsoring annual bowling championships is to promote good sportsmanship, fraternalism and national interest in the Slovak Catholic Sokol.

As you know, each year the Supreme Assembly, recognizing the great importance of bowling in our organization, donated \$55.00 to the prize fund for each team entry entered in the National Tournament. This financial contribution on the part of our organization is added to the regular prize fee of \$180.00 per team collected by the bowlers. All prize fees collected will be refunded 100% in prizes.

In order to successfully operate our tournaments, we must have cooperation and exact adherence to all entry rules and regulations which govern teams and individuals.

Please read these rules carefully. Do not overlook any detail. Comply with all requests at time entry blank is being filled out and when sending it in with the proper money order, certified cheque or bank draft. Be sure you have the bowlers affidavits as of all sanctioned league averages for 21 games or more in accordance with our rules governing averages. This will speed up the mailing of prizes after results have been checked. Remember that false information will result in forfeiture of all rights to prizes.

RULES AND REGULATIONS

1. The Slovak Catholic Sokol Championship Tournament is open to all members of our organization, both male and female (no juniors) who are in good standing and have been members for at least (3) three months SPL or (1) one year for all other policies, prior to the date of tournament with a minimum of \$3000.00 coverage. Policy Holders - no Social Members. As mandated by the 2007 Convention, all new members enrolled after January 1, 2008 will require a new minimum of \$5,000.00 of insurance coverage to participate in the 2011 program.

2a. All members of the competing teams must be members of the same Assembly or Wreath. There is no limit to the number of teams from each Assembly or Wreath.

2b. An Assembly or Wreath not having enough bowlers to make up a team may combine with another Assembly or Wreath to make up a team.

8. Prize fee will be \$6.00 per bowler per event. Cost of bowling and tournament expenses \$9.00 per bowler per event. Total = \$15.00 per event.

9. No entry money will be returned for any reason. All prize fee money plus \$55.00 per team.

Bowlers who have no established average will use their highest sanctioned league average of at least 21 games as of Jan. 1, 2011. A male bowler whose current average of 21 games or more at time of entry is (10) pins or more higher than the previous season's average must use his current average. Male bowlers who have no established average for this year or last year will be listed as 175 average and will be handicapped accordingly. Handicap will be limited to 100 pins per man per event. If the bowler does not have a sanctioned average over the last two years, the most recent 5 year history of Sokol tournaments will be used. If none of the above apply, the average of 175 for men will be used.

12b. All participants will be governed by rating requirements of USBC Rule 319e. Average to be adjusted accordingly. Failure to use the current average shall disqualify score if submitted average is lower than correct average thereby resulting in a lower classification of more handicap. Prize winnings shall be based on the submitted average if it is higher. However corrections in averages may be permitted up to the completion of the first game of a series.

12c. Handicap (Women) allowed will be 80% of the difference between 180 and last season's 2009-2010 highest sanctioned league average of at least 21 games. If none of the above apply, the average of 150 for women will be used.

14. Teams wishing to bowl all nine games as Team, Double and Singles in one day or a specific day or time must submit that request at time of entry.

15. List team names in order of lineup to bowl. The USBC substitute rule will be used in the event it is necessary. Average certification must accompany entry form.

16. All teams must bowl according to the published schedule. In order to ensure your choice of schedule time, send entries in early.

17. Bowlers have 48 hours from completion of tournament to notify manager of error in score.

18. Every consideration will be granted to request date/time preferences for out-of-town teams and individual bowlers. The success of the tournament depends upon all participants.

19. Bowlers need not report information as required by USBC (Rule 319d provision) for tournament prize winnings.
