2019 INTERNATIONAL GOLF TOURNAMENT – AUGUST 16-18 AT SEVEN OAKS COUNTRY CLUB AND BLACK HAWK GOLF COURSE, BEAVER FALLS, PA

Message from our Supreme President

Michael J. Horvath

It is over a month already since the final gavel closed the 33rd Quadrennial Convention on Tuesday, August 6,

2019 in Cleveland, Ohio. Thank you to all delegates who represented their respective Assemblies, Wreaths and Groups it was your preparedness before the Convention and your involvement at the Convention that the Convention was a success and so much was accomplished. All delegates appreciate the willingness of all who served on the various Committees, without their service the Convention could not get through the agenda as efficiently as was done.

A special note of appreciation goes to the 2020 Committee, who were also the By Laws Committee; the work you did over the last two and one half years helped all the delegates understand how our Society measures up to other fraternal benefit societies and what changes in our BY Laws were needed to improve our Society's, Board of Directors and management governance. The work you did and the By Law changed

the delegates approved will improve the Society and help it grow and meet the future challenges.

Congratulations to all those elected to a Supreme Office. I look forward to working with all of you over the next four years to improve on what we do best and better what needs to be improved on to make the Slovak Catholic Sokol a stronger financially sound and member active fraternal benefit society that will stand above our peers.

Lastly, for those who could not be at the Convention I am sorry to say you missed out on some Slovak delicacies that are very hard to find anywhere, even in Slovakia. It is amazing what smoke can do to the senses, especially how it stimulates the mind and draws you to its source. A few delegates took it upon themselves, with permission of the Airport Marriott' management, to treat the delegates to smoked meat; chicken wing, turkey, salmon, brisket, tenderloin, etc., for three days and nights. At every Convention break and at the evening gatherings the delegates would go to the courtyard and huddle around the smokers to see what was being smoked and taste the results of the chefs. To all the chefs, "Dakujem mnohokrat", for your

*From the desk of the Supreme Secretary***THANK YOU**by **Scott T. Pogorelec, F.I.C.**

It is hard to believe that the Fall Season is upon us! It is always my favorite time of the year as the air gets a bit crisper and the beautiful colors begin to form. This time of the year also allows us the opportunity to not only look forward to the holiday season, but to look back at the wonderful times had over the summer months. The Slovak Catholic Sokol had a busy summer calendar filled with great memories and true fraternalism.

Our 49th International Slet was held at SUNY Brockport in Brockport, NY from July 17th-21st. Our Sokol youth from eight participating Groups displayed their fine athletic ability in the best traditions of the Sokol Movement. Congratulations to our Slet Flag winner, Group 4, Chicago, IL, and to our John J. Stofko Memorial Spirit Award winner, Group 1, Passaic, NJ! I would also like to thank our Supreme Physical Fitness Board, our Group Physical Fitness Staffs, and all who had a hand in making the 49th International Slet so successful and memorable. Great job!

Two weeks after our Slet, the elected delegates of the Slovak Catholic Sokol met in Cleveland, OH for our 33rd Quadrennial Convention. The Convention is the highest governing body in the life of a fraternal organization. I want to thank the 173 Delegates who took the time out of their busy schedules to participate and give back to the organization. Decisions that were made at this Convention will guide our organization in the coming four years and beyond. I would like to commend our Supreme President, Michael J. Horvath, who served as Chairperson of the Convention. It is not an easy job to navigate through the agenda, but Brother Mike did a wonderful job in being efficient and keeping us on task. I would also like to recognize our Supreme Vice-President, Edward D. Moeller, for stepping in and assisting Brother Mike where necessary.

I would like to give a special thank you to Bishop Roger Gries, O.S.B., Auxiliary Bishop Emeritus, Diocese of

Cleveland, who was the celebrant at our beautiful opening Mass at The Cathedral of St. John the Evangelist. Thank you to our Supreme Chaplain, Rev. Andrew S. Hvozdozovic for all his efforts in organizing the beautiful liturgy, which testifies to the great faith in our organization.

In the coming issues, you will have the opportunity to read about the proceedings at our 33rd Quadrennial Convention. An important role of the Delegates is to elect members of the Supreme Assembly. On this page, you will find the newly elected Supreme Officers who will serve our organization for the next four years. I would like to thank our Delegates for their trust in me to serve as your Supreme Secretary and I extend warm fraternal wishes to all our newly elected and reelected Officers. Once again, thank you!

Congratulations to all our flight winners at the recent 64th International Golf Tournament held in Beaver, PA at the beautiful Seven Oaks Country Club. A wonderful time was had by all and the spirit of fraternalism shone brightly. Thank you to the Greek Catholic Union for their generous hospitality and for being truly gracious hosts. Thank you to our Director of Sports and Athletics, James C. Matlon, and his entire staff for their efforts to make this wonderful event a success. A big congratulations to our 2019 Frank S. Petruff Award winner, Mary Margaret Starr, from V-054, Youngstown, OH. Mary is a longtime attendee at our golf tournaments and truly deserving of this honor. Congratulations Mary!

Finally, I wish to congratulate Brother Clifford A. Moeller, Sr. on being selected as the 2019 Slovak Catholic Sokol Fraternalist of the Year. There is a beautiful writeup in this edition of the Falcon to learn more about Brother Cliff. As you will see, Cliff is certainly deserving of this tribute and we thank him for his many years of service and hard work in the best traditions of our fine organization. Thank you and congratulations Brother Cliff!

Until next time, enjoy the last few days of summer and may God Bless you all!

Zdar Boh!

49TH INTERNATIONAL SLET – JULY 17 - 21, 2019

The beautiful campus of SUNY Brockport, NY was host to our 49th International Slet from July 17-21, 2019. Although the participants did not arrive until the 17th, the Supreme Physical Fitness Board arrived the evening of July 15th to begin preparations for the upcoming week. Monday evening and all day Tuesday included meeting with SUNY Brockport staff, reviewing the schedule, verifying and approving the facilities, shopping for necessary supplies, finishing up any last minute paperwork, testing out the computer scoring programs, making signs, putting together information packets for the group leaders, answering last minute e-mails from group leaders, and checking the dorm rooms.

One of the highlights of the week was live streaming our competition on Facebook so that all of our members could watch the International Slet. A special thank you to Supreme Chaplain Rev. Andrew Hvozdozovic for being our videographer for the week. We know that this was quite an undertaking.

Another highlight was the introduction of our new Sokol mascot, SLODOBA (freedom). The winner of the name the mascot contest was Andy Lipovsky from Group 5.

WEDNESDAY, JULY 17TH

Arrival, opening ceremony, individual drill competition senior drills

The morning began bright and early with the arrival of eight participating groups. A total of 143 participants and 26 SPFB members and chaperones were in attendance. Group 1, Passaic, New Jersey, Steven Pogorelec, Jr., Carmela Lambert (acting); Group 3, East Douglas, Massachusetts, Gary Manyak, Judy Manyak, Zach Manyak, Joshua Cyr, Jaque Manyak; Group 4, Chicago, Illinois, Tricia Radtke, Brad Hoeck, Noah Romine, Lisa Hoeck; Group 5, Cleveland, Ohio, Steve Underation, Jayme Blosser, Andy Lipovsky; Group 7, Wilkes-Barre, Pennsylvania, Matthew Malenovitch, Kelly Palchanis; Group 11, Superior, Wisconsin, Rebecca Matlon, Rachel Matlon; Group 14, Pittsburgh, Pennsylvania, Aaron Kercell, Haley Hast, Gavin Watkins, Kara Devers, Brittany Hast; Group 19, Toronto, Ontario, Steven Popik, Kristen Popik, Michael Wasilewski, Anne Marie Wasilewski.

Registration is always a bit chaotic with all groups unloading and trying to get situated in the dorms, but the best part is watching the excitement on the faces of the participants as they see friends they haven't seen in two years. Many hugs, smiles and laughs were exchanged among the groups. The weather did not cooperate, and the participants had to unload the busses and cars in the rain. Check in was followed by lunch in the cafeteria. While registration was occurring, some of the SPFB members were holding a track and gymnastics clinic for anyone who wished to attend.

Following lunch, the SPFB held a practice fire drill which was required as a safety procedure for SUNY Brockport.

Since it continued to rain throughout the day, opening ceremony was moved inside. Dressed in the multi-colored shirts, the participants arrived at Tuttle Gymnasium for mass and opening ceremony. After gathering at the back of the stadium for group pictures, the opening procession of the groups began. The participants marched in and sat in the bleachers for mass. We enjoyed a beautiful mass celebrated by our Supreme Chaplain Rev. Andrew Hvozdozovic.

After the conclusion of the mass, the program continued with the following:

- Comments given by our Supreme President Michael Horvath

and Supreme Physical Director John Underation.

- The ceremonial torch parade where the physical director and directress pass the torch to the next group. Unfortunately, the torches could not be lit because we were inside the gym.

- The ceremonial lighting of the torch by the previous Slet winners – Group 3.

Following the opening ceremony, we were honored to host professional speaker, Brian Blasco, a member of Group 17, Youngstown Ohio. He entertained the crowd with a few Slet memories of his own and some inspiring words. I am sure his message continues to resonate with our participants.

After Brian Blasco's presentation, the groups returned to the dorms to unpack, tour the campus, and get in some last minute practice. This year, the individual drill competition was held in two sessions. The juniors and all gymnasts drilled on Wednesday afternoon and the non-gymnasts drilled on Thursday afternoon during the gymnastics competition. Late afternoon, a meeting was held for the group leaders to discuss the general rules, go over the schedule, choose team drill positions, and answer any questions that the group leaders had.

The evening events brought about tough competition for the seniors and a bit of relaxation for the juniors. After dropping off the juniors at game night, the volleyball teams reported to the gymnasium to begin the volleyball tournament. Teams spiked, set, and passed the ball throughout the night until only two teams were left: Group 4 and Group 14. After several tough games, Group 4 triumphed.

While volleyball was going on in the gym, the juniors were enjoying the some fun activities in the courtyard of and common area of the dorm. There was a corn hole game, relay races, hula hoop contests, football games, lacrosse shooting, and many other things. The girls even set up a mini beauty shop and did hair and makeup. I was able to get an appointment with some pretty talented young hair and makeup artists. Snacks, freeze pops and juice boxes topped off the night.

THURSDAY, JULY 18TH

Track and field, gymnastics, individual drill competition, junior drills

The groups gathered bright and early in the cafeteria for breakfast and then met at the track to begin warming up for competition.

Thursday morning, the track and field competition was in full swing. The athletes showed their talents as they raced around the track and competed in several field events. The use of electronic timing this year made the competition run more smoothly. If you are interested in seeing all of the times, you can access the results at www.Leone.timing.com.

After lunch, the individual drill competition continued and the gymnastics competition began in the Tuttle North Gymnastics facility. Gymnasts competed in vault, floor exercise, balance beam, uneven bars, parallel bars, and pommel horse. These talented gymnasts performed beautifully and made the judging very difficult. At the end of competition, the winners were announced and presented with their medals and ribbons.

FRIDAY, JULY 19TH

Track and Field and Senior Drills

After having breakfast in the cafeteria, the athletes showed up early at the track to warm-up and get ready for the day's track and field events. As the events began, the excessive heat made things a bit uncomfortable. Supreme President Michael Horvath and Supreme Chaplain Rev. Andrew HvozdoVIC went to the store and brought popsicles to help keep the athletes cool and hydrated. The SPFB set up a small swimming pool and sprinkler to help ward off the heat. While the field events were occurring around the track, the preliminary races for many of the shorter distances were run, as well as a few longer distances. As part of the morning events, the ever-popular 7 and under race was held and all participants received ribbons.

Following lunch in the cafeteria, the track and field competition continued with many competitive races including some of the relay races. The excessive heat was not our only obstacle. Mid-

afternoon a storm came in and moved everyone into the gymnasium. THE SPFB used this time to hand out medals and awards for the track events, as well as practice the mass drill for the closing ceremony.

The evening began with the senior individual drill finalists performing for the judges. This is a private drill session where the judges watch the participants perform and determine their placement. While this was occurring, spectators and senior drill teams were assembling in the gymnasium in anticipation of the senior drill competition.

The main evening event was the senior drill competition in which 4 men's teams and 4 women's teams competed. The women performed two drills, Te Na by Kristina Pelakova and Come Alive from the movie the Greatest Showman. The men also performed two drills, Seven Nation Army by The White Stripes and Janko Pri Potoku by Nebeska Muzica. After what came to be some very tough competition, the winners were announced.

Men – Group 3 -- East Douglas, Massachusetts

Women – Group 19 – Toronto, Canada

The evening commenced once again with groups gathering outside the dorms to socialize, order pizza, catch up with old friends and make new friends.

SATURDAY, JULY 20TH

Track finals, exhibition practice, closing ceremony, dance

Once again, it was an early morning with breakfast at the cafeteria and on to the track for the conclusion of the track competition. Our athletes proved that talent, hard work and determination pay off in the end as they raced their final races of the 49th International Slet. All winners were presented with medals and ribbons, including the 7 and under participants who raced for a second time this Slet.

After our lunch break, the teams assembled in the gymnasium for exhibition practice. After practice, the participants were dismissed to the dorms to get ready for the closing ceremony.

Dressed in their drill uniforms, the participants assembled in the gym. The Board of Directors and Supreme Physical Fitness Board Members were announced as well as each group and its leaders as everyone marched into the gymnasium for our closing mass. A beautiful mass was celebrated by our Supreme Chaplain Rev. Andrew HvozdoVIC. After the conclusion of the mass, the program continued with the following:

- Comments were given by our Supreme President Michael Horvath.
- The ceremonial lighting of the torch by the all-around high scorers in track and field and gymnastics: All-around Track – Luke Underation, Amaya Fluker; All-around gymnastics – Jonathan Gable, Brooke McArdle.

NOTE: The torch bearers are the male and female all-around winners for track and gymnastics. They must be seniors and may not have carried it at a prior Slet. If that is the case, the next all-around winner carries the torch.

- Drill performances by the junior boys, junior girls, senior men and senior women.
- Mass drill performance by all of the athletes.
- Following the mass drill, the SPFB proceeded with the awards ceremony.

After many tears and hugs, the participants returned to the dorms to change and make their way to the dance. A picnic-style dinner was set-up, as well as a D.J. and a photo booth. When I arrived at the dance, I could not believe my eyes. Almost every participant was on the dance floor-- boys, girls, men, women, and SPFB members. Some kids who I know NEVER dance. It was an amazing site, and of course, it brought tears to my eyes! If you have been on Facebook, you have seen the pictures and live stream. Additionally, the photo booth proved to be a huge hit. There were funny hats, masks, and signs that provided many laughs.

As I reflect back on the 49th International Slet and all of the previous Slets I have attended, I cannot help but smile as I think about all of the amazing friends that I have made and the memories that will last a lifetime. I know you are all smiling right now as you think of the same thing.

The Supreme Physical Fitness Board is in the process of planning the 50th International Slet for the summer of 2021. We hope to make it a comeback year! Please consider joining us and bringing your children and grandchildren. We have many ideas to motivate you to join us. Stay tuned for details on Facebook and in the Falcon. If the pictures and live stream do not make you miss it, think of all the people that you have not seen in several years. Let's make the 50th the biggest International Slet in years!

Thoughts from our Supreme Chaplain,
Rev. Andrew S. Hvozdozic

GRATEFUL

Of all great gifts, Lord,
your gift of friendship has pride of place
within my heart of hearts...
Today I thank you for my friends, Lord,
for all of them:
- my old friends, tried and true,
who've been there with me and for me,
through thick and thin, in good times and in bad,
in sickness and in health...
- and my new friends, Lord,
the ones I've just met and made
but friends I know are keepers!
- and all the friends I've not yet met, Lord...
- and my friends whom I see all the time, Lord:
help me never take them for granted...
- and the friends I see but once or twice a year - or less:
friends not bound by geography or time spent together,
friends I pick up with after months, years apart -
as though I see them every day...
- and friends from my past who've drifted away,
due not to any cause
besides the shifting tides of time...

Dear Mr. Pogorelec,

I am writing to you in regard to the Slovak Catholic Sokol Scholarship in which I was a recipient this year. I would just like to say an enormous thank you for granting me with this scholarship and therefore assisting me in my university career.

Being able to attend university and receive an education is such a blessing and in my opinion, an integral part of life. However, the life of a student can be quite difficult and therefore every ounce of support helps. Therefore, I want to thank you for your generosity in providing students nationwide with opportunities like this as it brings us one step closer to our academic goals.

The Slovak Catholic Sokol has and always will be an organization that is very close to my heart and the Sokol community is one that I respect greatly. It is for this reason that being selected as a recipient means such a tremendous deal to me and I am not able to express my gratitude enough. I am excited to return back to school this fall and I am ever appreciating of the role that you have played in supporting me in my studies.

Sincerely, Jessica Glugosh, Toronto ON, CN

hospitality, labors of love and treating us to tasty and delicious snacks. You should have your own Slovak cooking and smoker channel, an idea?

The annual joint Slovak Catholic Sokol and GCU International Golf Tournament held August 16 -18, 2019 at the magnificent Seven Oaks Country Club and the Black Hawk golf courses in Beaver, PA was a success. I have heard the courses were outstanding and many had great rounds of golf plus the weather was ideal to make the tournament an even better experience for everyone. Congratulations to all the tournament winners.

I'm sure we will see you at next years tournament much improved and ready to claim the championship. I am always trying to improve my game and one of these year's I will break a 105.

Our 2019 Frank S. Petruff Memorial Golf Award winner is truly worthy of this award. Our Sokol Sister Mary Margaret Starr from Youngstown, Ohio is the perfect example of what fraternalism is about and how members support the activities of their Society. Congratulations to Mary and welcome to the Slovak Catholic Sokol's circle of Golf fraternalists.

The 2019 Slovak Catholic Sokol Fraternalist of the Year (FOTY) was selected by the Board of Directors from the nominations received from our members, Groups, Assemblies and Wreaths. This year we proudly announce that the Fraternalist of the Year is our well-known Sokol from Assembly 16 in Pittsburgh, PA, Brother Clifford A. Moeller, Sr. Brother Moeller has been an active Slovak Catholic Sokol member for many decades providing leadership on an Assembly and Group level even at the national level when needed. Congratulations to Brother Moeller, you are certainly an example of a Fraternalist and enjoy the honor.

I hope everyone had a wonderful Labor Day and enjoyed the long weekend, the last of the summer of 2019. As we know Labor Day is set aside to recognize not only what we do but what others contribute and do on a daily basis to make all of our lives better. Without the labors of others we would not have all that we have to enjoy that make our lives better. Let us respect all the work done by others and ask for justice for all who labor for our benefit.

On Friday, September 6, I attended a Mass at my grandsons' school to celebrate Grandparent's Day which was on Saturday, September 7, 2019. I will celebrate another Mass for Grandparents at my granddaughters high school later this year. Each of these Masses are special for me and my wife since we have the opportunity to be with our grandchildren in a special setting where we are reminded of how important each of us is and how we love each other. Grandparents are the patriarchs and matriarchs of each family and act as buffers between parent and child. Grandparents should be where grandchildren go for comfort and advice. It is our advice that our grandchildren respect and it gives them direction. So to all grandparents be thankful for our grandchildren, without grandparents we would not have grandchildren to love and enjoy, even when they do go home with their parents.

Our Mother of Sorrows, Patroness of Slovakia, Feast Day will be celebrated on Sunday, September 15, 2019. While we are at Mass on September 15th let us remember our ancestral homeland and how special it is, since it has a national patroness that the whole country recognizes.

As we all witnessed, Mother Nature is not always kind to her children, as we all saw play out on September 1-3 as Hurricane Dorian ripped through the beautiful and peaceful islands of the Bahamas which many of us have visited and enjoyed. It was

not hard to realize after two days of tremendous wind and rain the aftermath of the hurricane would not be pretty. I ask that all of us find a way to donate to a relief agency that is set up to help those who lost everything because of the wrath of Dorian.

Grandparents, since we are the protectors of our grandchildren and they seek our advice because they trust us; I ask you, have you protected them and give them information on who they are. I am asking if all of your grandchildren are Slovak Catholic Sokol members and have more than the basic life insurance protection. If they are not members or just have a minimum life insurance policy please contact the Home Office or our Director of Sales for advice and information on getting them a policy with the type of insurance and amount that fits your financial abilities.

The tournament weekend started off with a practice round on Friday, and regulation play beginning Saturday morning through Sunday afternoon using a Shot gun start format. Most of the golfers took advantage of the practice round on Friday and enjoyed the evening hospitality at the Clubhouse at Seven Oaks Country Club. Everyone enjoyed fellowship of eating hors d'oeuvres and drinking beverages in fellowship. Participants also enjoyed the outdoor balcony and patio, sitting by fires and listening to live entertainment. Some even partook in a friendly putting contest.

The tournament began with golfers checking in on Saturday morning at the Seven Oaks Course. Participants were given a souvenir hot and cold beverage thermos along with the option to register for the closest to the pin contest and longest put. The Seven Oaks Golf Pro reviewed tournament rules. Supreme Director of Sports and Athletics, James C. Matlon, wished all golfers good luck and the shotgun start signaled 51 golf carts to head towards their starting location. Being assigned to work this tournament as opposed to golfing in it, gave me the opportunity to witness amazing shots and take in the beautiful scenery throughout the whole weekend. It was inspiring to watch all golfers hit balls over water, across ravines, and through trees. True Sokol fraternalism was displayed as all expressed appreciation for having their game interrupted for a picture. The GCU sponsored the Longest putts on Saturday.

The Divine Liturgy was celebrated at 4:30 p.m. in the GCU chapel by Metropolitan Archbishop William C. Skurla. After the Liturgy, the golfers and guests enjoyed a delicious buffet dinner in the ballroom at the Seven Oaks Country Club. The banquet featured a delicious buffet with a scrumptious selection of desserts. The Supreme Director of Sports and Athletics, Jim Matlon, welcomed golfers and guests and started the evening program with the National Anthems for US, Canada and Slovakia. Next, James Matlon asked all veterans to stand and the attendees offered recognition

for their service to the United States of America. Brother Jim then introduced the GCU President, George Juba, who gave a warm welcome and recognized their officers: National Directors Michael Karaffa and Gregory Vladika, and General Council, Theodore Trbovich were present.

Following a warm GCU welcome, Supreme Director of Sports and Athletics, Jim Matlon, Archbishop William C. Skurla offered the blessing before the meal. After the meal, the Assistant Supreme Director of Sports and Athletics, Frank Laury announced the Saturday flight winners and introduced the Supreme and Honorary Supreme officers in attendance, including: Supreme Secretary, Scott T. Pogorelec, F.I.C., Supreme Vice President, Edward Moeller, Supreme Director of Sports and Athletics, James Matlon, Chairperson of the Supreme Auditors, James J. Jerek, Supreme Auditor, Jim Knis, Supreme Physical Director, John Underation, Supreme Physical Directress, Kathy Watkins, Supreme Assistant Physical Director, Dusan Dorich and Supreme Physical Fitness Board Member, Julie Laury. Supreme Physical Fitness Board Member, Julie Laury revealed the winners of the Closest to the Pin and Longest Putt from Saturday's contest. The Closest to the Pin winners included: Scott Pogorelec, Paul Papcun, Frank Dano III and Steve Koval. The Longest Putt winners were: James Bart and Ben Moeller. Following the announcements of the Closest to the Pin winners, Sister Julie continued to call raffle winners. There were some great prizes including: SCS sweatshirts, golf hats and very generous gift cards to the Seven Oaks Country Club Pro Shop.

Once, she finished giving away all of the raffle gifts, our Supreme Secretary, Scott T. Pogorelec, reflected on the honor and recognition that comes with the Frank S. Petruff Memorial Sports Award. He recognized past winners asking them to join him at the podium to induct this year's prestigious winner. Past Golf Award-ees included Robert Harak, Tom Muldoon Jr., Loretta Smith, and Robert Palchanis. This years' award winner for the 2019 Frank S. Petruff Sports Award was Mary Margaret Starr from Wreath 54 in Youngstown, Ohio. Sister Mary Margaret graciously accepted the award and was humbled by the recognition.

The tournament ended Sunday at the Black Hawk Golf Course. Once again, the beautiful morning began with a shotgun start that set all golfers on their way. Closest to the Pin winners on Sunday included: Nick Macurak, Gary Watkins, Kyle Karaffa and Ryan Burfield. A special thank you goes out to the following individuals who volunteered and helped make this year's tournament a success: Supreme Chairman of the Auditors, James Jerek and Supreme Auditor James Knis - who volunteered their time and efforts as our Sokol H2O specialists and Supreme Vice President, Edward Moeller - helping with scoring. A special thank you goes out to the staff at both golf courses, hospitality and banquet facilities and the GCU for hosting and sharing their beautiful facilities.

In conclusion, thanks to the Sokol participants and GCU for participating in the golf tournament. Without your involvement and fraternalism, the tournament would not have been a success. We hope to see everyone back next year!!

Zdar Boh!

SISTERS OF SAINTS CYRIL AND METHODIUS A CENTURY OF CONTRIBUTIONS IN DANVILLE, PA BY SISTER BERNADETTE MARIE ONDUS, SS.C.M.

The Sisters of Saints Cyril and Methodius, founded in 1909 in Scranton, PA, had searched for 10 years for a permanent home for the growing number of Sisters in their Congregation. The Sisters learned of a property for sale in Danville PA in November 1918. Reverend Thomas F.X. Dougherty was pastor of Saint Joseph Church in Danville and was able to help the Sisters with information about the property. The estate consisted of a 44-room home, stables, barns, greenhouses, a farmhouse and a liveryman's house on 187 acres of land. Known as "Castle Grove," the mansion had been built in 1867 by John Grove, Sr. for his two sons, Michael and John Grove, Jr. After the death of the estate's next owners, Caroline Grove Bennett and John Bennett, the estate was abandoned in 1905. Just after the end of World War I, John's second wife listed the property for sale. On June 7, 1919, the sale to the Sisters of Saints Cyril and Methodius was made final. The estate had been abandoned for 14 years and needed a significant amount of attention. The Sisters moved to Danville knowing they had a great deal of work ahead of them but were overjoyed by a place to call their own.

When a family moves to a city, town or borough, the members of the family spend some time determining how they can become part of the community's life and make a significant contribution to their new home. Since the Sisters of Saints Cyril and Methodius arrived in Danville in 1919, we have endeavored to become a part of the community and to share our time, talents and expertise in a variety of ways, notably in education, health care and spirituality.

EDUCATION

Our first successful venture in 1920 was the establishment of an elementary school which was housed in Castle Grove, the building on the property we had purchased. The Slovak Girls Academy for boarding and day students eventually moved from the Villa to a building constructed for just that purpose, later to be called St. Cyril Academy. Until 1999, the Academy educated thousands of young women, instilling the attitude of generous self-giving contained in the school motto: "Enter to learn; leave to serve."

For many of the 77-year long history of St. Cyril Academy, theater was the tool for reaching out to people. Beginning with adult shows at Christmas and Easter and Traveling Adult Theater for 10 years, in later years the students were annually directed in children's theater, performing a musical play for busloads of area elementary school students. Even today, those students-turned-adults happily remember the joy of seeing Cinderella or Snow White or Winnie the Pooh perform in the darkened auditorium. In addition, the Raggedy Ann Players Traveling Theater performed over 500 shows in their 25-year history of entertaining children.

Before translating became a digital exercise, the international students of the Academy were often asked to translate for the Geisinger Medical Center when patients from Haiti, the Dominican Republic, Mexico or other Central American countries needed to be understood. It was a service these students gladly offered.

Opening in 1971 and continuing through 2005, the Villa Conservatory of Music was the place to learn piano.

From 1977 to 1992, the Sisters of Saints Cyril and Methodius taught at St. Joseph School in Danville. Taking up where our Sisters, Servants of the Immaculate Heart of Mary (IHM) predecessors left off, the Sisters filled the roles of Principal and teachers,

directors and teachers of religious education and even Pastoral Assistant for the parish.

Begun in 1977 as the Villa Preschool and moved in 1999 from the Villa to the St. Cyril Academy building, the St. Cyril Preschool and Kindergarten is a Catholic environment which provides very young children a firm foundation upon which to build their education. Classroom work and activities are structured to tap the greatest potential of the students. The Summer Stage program for 5 through 12-year olds continues the Academy's well-earned tradition of excellence in theater.

HEALTH CARE

Our health care facilities are a boon to the Danville area. It all began March 19, 1962, when Maria Joseph Manor opened as a home for the aging. Now Maria Joseph Continuing Care Community offers, according to the Mission Statement, "a welcoming and secure environment, where the lives of senior adults and their families are enhanced with compassionate and professional care."

The Meadows has one hundred one-story cottages and also three sets of four, one-story town house units in Trinity Terrace. The community center in the midst of the cottages includes an on-site beauty parlor, wood shop, pool table, exercise room, computer lab, a dining room and sunroom. Maria Joseph Manor Assisted Living Community offers senior adults compassionate and professional personal care. The skilled care facility, Emmanuel Nursing and Rehabilitation Center adds to our continuum of care. The Nazareth Memory Center, a secure Assisted Living community, is devoted to individuals with Alzheimer's or related dementias. Specialized activities are provided for cognitive stimulation and spiritual growth.

Since 1970, Maria Hall has been the home for our "retired" Sisters of Saints Cyril and Methodius, and for over 15 years, a residential hospice unit on the fourth floor, administered initially by Columbia-Montour Home Health and Hospice, has welcomed the dying and their families into our home. Maria Hall is also home to Sisters from four other Religious Communities: The Danville Carmelites, the Good Shepherd Sisters, the Contemplative Good Shepherd Sisters, and the Sisters of Notre Dame de Namur.

An integral part of health care is chaplaincy, and the Sisters of Saints Cyril and Methodius have ministered over the years in pastoral care not only in our facilities at Maria Joseph Manor and Emmanuel Center, but in the Geisinger Medical Center and the Danville State Hospital.

SPIRITUALITY

Villa Sacred Heart has been recognized and utilized as a place for religious gatherings and events since 1909, especially since the dedication of the Motherhouse Chapel-turned Basilica of Saints Cyril and Methodius in 1939. Formally established in 1999, an important sponsored ministry of the Congregation today is the St. Cyril Spiritual Center. The Center's Mission Statement presents its purpose: "Within a serene setting of natural beauty, the Center offers retreats, spiritual direction and a quiet place for individuals or hosted groups 'so that the Gospel vision of the Kingdom may be fulfilled in us and in those we serve.'" The Spiritual Center provides access to: the Basilica of Saints Cyril and Methodius; a Perpetual Adoration chapel; a hermitage; a Chartres-style labyrinth; a library containing religious books, audio tapes and videos; and overnight

accommodations for up to 90 persons.

Programs and retreats annually include personal or group retreats, silent and directed retreats, guided or preached retreats, reflection days during Advent and Lent, and spiritual direction.

In recent years the Spiritual Center has been able to share our facilities with other denominations for their spiritual and educational activities. The Society of the Holy Trinity, Lutheran pastors, hold their yearly retreat at the Spiritual Center. Methodist women also make their retreat here. The Stevenson School of Ministry comes regularly to provide classes for men and women discerning the diaconate or priesthood in the Episcopal Church. Men's and Women's Tres Dias and the Women's Tres Dias Fiesta group spend weekends here. Tres Dias is a three-day intensive Christian retreat experience similar to the Cursillo program. Our ecumenical outreach has brought us many blessings.

MUCH TO MENTION

Having inserted ourselves into the life of Danville, Pennsylvania, the Sisters recall a variety of intersections including:

- serving as a refuge for families flooded out of their homes during the Agnes Flood in 1972;
- helping to provide editorial oversight and contributing two chapters to the 1991 book: Danville: the Bicentennial History;
- contributing to the WVIA television segment: Our Town Danville;
- teaching English through the Central Susquehanna Intermediate Unit's Literacy program;
- housing an Adoration Chapel which draws prayerful visitors day and night;
- biannually serving Saturday meals at the Jubilee Kitchen in Danville with our SSCM Associates;
- participating in the Danville Community Singers;
- membership in Bookworms, the local reading club;
- serving on numerous Boards for local organizations;
- sharing space with Children's Service Center which assists children with autism, an Aphasia Center, and Sisters from other communities who have joined our Sisters at Maria Hall.

No doubt many things have been missed in this litany. Suffice it to say that we have been and continue to be part of the fabric of Danville, Pennsylvania. Our 100-year home has been good to us, as we have tried to be good for it.

We will celebrate our 100 years in Danville, PA with a special Liturgy at the Basilica of Saints Cyril and Methodius on September 15 at 11:00 am, with an open house following. All are welcome to join us in this celebration.

National Apple Month

September 26th
Johnny Appleseed's Birthday

All About...

Many people think that Johnny Appleseed was a fictional character, but he was a real person. His real name was John Chapman, but he was called Johnny Appleseed because of his love for growing apple trees.

John was born in Leominster, Massachusetts on September 26, 1774. His dream was to produce so many apples that no one would ever go hungry. His adventures began in 1792, when John was 18 years old. He headed west to Pennsylvania, following the steady stream of pioneers. From there he traveled into the Ohio Valley and later Indiana. He kept ahead of the settlements and each year planted apple seeds farther west. He sold and gave away trees to the pioneers. In 1842, John made his last trip back to Ohio. On March 18, 1845, he died of pneumonia at the age of 71. The story of Johnny Appleseed is retold to keep alive the memory of this pioneer and his work in developing fruit growing in parts of the Middle West.

from Slovakia...****NEW US AMBASSADOR HAS ARRIVED IN SLOVAKIA**

The new US Ambassador to Slovakia Bridget A. Brink (shown left) has officially presented her credentials to President Zuzana Čaputová (right) on August 20. "It is with a deep love of country and a family spirit of resilience and creativity that I am so humbled and excited to lead our talented team in Slovakia to advance our shared values and interests," Ambassador Bridget Brink said.

Bridget A. Brink arrived in Slovakia on August 15, 2019. On August 19, the new US Ambassador to Slovakia attended a meeting with Slovak Foreign Affairs Minister Miroslav Lajčák. Both the ambassador and minister agreed that the dynamics of cooperation between Bratislava and Washington are at a very good level, bringing tangible results in the form of several successful projects and activities.

"The US is not only a very strategic partner for Slovakia but also a good friend and reliable ally," said Lajčák, as quoted by the TASR newswire. (photo: president's office)

**POLL: SMER-SD TOP, FOLLOWED
BY PROGRESSIVE SLOVAKIA-TOGETHER**

If a parliamentary election had been held in August, Smer-SD would have come out on top with 21.8 percent of the votes, followed by the Progressive Slovakia-Together coalition on 14 percent and the far-right People's Party Our Slovakia on 12.1 percent, according to a poll conducted by Focus agency on a sample of 1,020 respondents between August 1-7.

Fourth place would have been claimed by the Christian Democratic Movement (KDH) on 7.5 percent, followed by Freedom and Solidarity party (SaS) and the Slovak National Party (SNS) on 7 percent each, We Are Family (6.3 percent) and OĽaNO (6 percent). The last party to make it into Parliament above the required 5-percent threshold would have been the fledgling For the People party (5 percent).

Remaining outside of Parliament would have been Most-Hid (4.7 percent), the ethnic-Hungarian SMK (3.4 percent) and the Communist Party of Slovakia (1.2 percent).

In the House, Smer-SD would have garnered 38 seats, PS-Together 24 seats, LSNS 21, KDH 13, SaS and SNS 12 each, We Are Family 11, OĽaNO 10 and For the People 9.

**JOSHUA M. SHAFF, ASSEMBLY 16 SOKOL,
TAKES PACIFIC NORTHWEST DEFY
WRESTLING CHAMPIONSHIP**

Joshua M. Shaff, a Sokol of Assembly 16, South Side, Pittsburgh, Pa. is the grandson of veteran Sokol activist, Honorary Supreme Officer, Michael J. Pjontek and his wife, Patricia of Pittsburgh. Josh took the wrestling championship on August 23 in Tacoma, Wash. Our congratulations and fraternal best wishes go out to this fine young Sokol athlete.

At first, it was the sports-entertainment giant that is World Wrestling Entertainment. That included Monday Night Raw, SmackDown and pay-per-views like WrestleMania.

But then he began learning about companies aside from WWE. That includes New Japan Pro Wrestling, Ring of Honor, and several independent promotions.

Near the end of enlistment, Josh M. Schaff decided he could become a wrestler himself. For two years, he told everyone he could about his dream.

"Every single person I walked past, I was like 'I'm going to get out of the Navy and be the world's heavyweight champion,'" Schaff said. "And everyone laughed at me."

In 2016, he moved back to Tennessee and found a wrestling school two hours away in Atlanta, Georgia.

"I gave them the money and I walked in and I started training," Schaff said. "I drove two hours one way, about four hours every day."

His first match came within months and he won a number of independent championships in his first year. But he had a decision to make – his girlfriend was still serving in the Navy in Washington state.

"Do I pick this wrestling career that's starting to take off? Or do I take this girl?"

Luckily for Schaff, he got to have both. When he came back to Washington, the Pacific Northwest wrestling scene had exploded.

He began wrestling for promotions in Vancouver, B.C., and in Portland. Eventually, he was discovered by Defy Wrestling based in Seattle.

Schaff made his debut in 2017 and has since been put in the ring with top international stars. The likes of Brody King and Jeff Cobb – both now in Ring of Honor Wrestling.

He's also squared off with the man known simply as Walter, who just debuted for WWE's NXT United Kingdom developmental brand.

It turns out you can transition from sailor to star wrestler. Defy Wrestling producer Matt Farmer says Schaff's military experience helps Schaff in the ring athletically and being able to adapt to new situations.

"You come across people that you've never met before," Farmer said. "You're in front of crowds that you've never performed in front of before. I think being in the military will give you a lot of experience handling those strange situations."

Schaff's supporters say he's made a positive impact on the local wrestling scene. He's attracted fans from across the military community; even from Whidbey Island.

Looking ahead, Schaff wants to expand outside of the Northwest.

"I want to be the Brody King; I want to be the Jeff Cobb," Schaff said. "I want to start getting out there and making that name for myself."

Major wrestling promotions like WWE and the newly-formed All Elite Wrestling, new talent is always being scouted. And Schaff's journey could turn global as quickly as a referee's three count.

SAS NAVRHUJE VYHLÁSIŤ 27. JÚN ZA DEŇ PAMIAŤKY OBETÍ KOMUNIZMU

Deň pamiatky obetí komunistického režimu by mohol byť novým pamätným dňom, pripomínať by si ho Slovensko mohlo 27. júna. Vyplýva to z návrhu zákona, ktorý Národnej rade SR predložila skupina poslancov zo SaS.

Dátum je symbolický, v tento deň v roku 1950 popravili v Prahe prvé obete komunistických politických procesov, medzi nimi aj Miladu Horákovú, ako ich jedinú ženskú obeť.

„Obete komunistického totalitného režimu nesmú zostať zabudnuté. Obzvlášť v roku 30. výročia pádu tohto režimu, považujeme za nevyhnutné si ich aspoň takto symbolicky pripomenúť,“ argumentujú predkladatelia.

Poukázali na to, že 27. jún bol vyhlásený za pamätný deň v Českej republike. Bolo to na pamiatku Milady Horárovej, Jana Buchala, Oldřicha Pecla a Závěša Kalandru.

„Tí boli popravení po politickom procese vtedajšieho komunistického režimu Československa, ktorý sa konal v dňoch 31. mája - 8. júna 1950. Obesení boli všetci v Prahe dňa 27. júna 1950,“ priblížili predkladatelia.

Právnička a politička Milada Horáková bola jedinou ženskou obeťou justičnej vraždy v rámci vykonštruovaných komunistických politických procesov.

„Vďaka tomuto faktu ako aj Horárovej vytrvalosti a neústupnosti, sa stala symbolom odporu proti vládnucej Komunistickej strane Československa,“ dodali.

OBETE KOMUNIZMU

V dôvodovej správe pripomenuli, že v Československu bolo od februárového prevratu v roku 1948 za politické trestné činy „popravených 248 osôb, približne 4500 osôb zomrelo vo väzení a najmenej 282 pri pokuse utiecť cez železnú oponu“.

Poukázali tiež na vyše 205.000 ľudí, ktorí boli z politických dôvodov odsúdení, ale aj na väzňov, ktorých bez súdu poslali na nútené práce, či do Pomocných technických prác.

Číslo podľa nich nemožno považovať za konečné, pretože sa mnoho materiálov doteraz nepodarilo spracovať, alebo zmizli a štatistiky nemusia zahŕňať utajené vraždy či ľudí zomrelých na následky väzenia po prepustení. - sme.sk

MILAN RASTISLAV ŠTEFÁNIK BUDE MAŤ BUSTU AJ V SPOJENÝCH ŠTÁTOCH

Upriamiť pozornosť na významného Slováka Milana Rastislava Štefánika a cez neho a jeho prácu i na Slovensko a jeho históriu, ktorá je dlhšia, než si niektorí uvedomujú. Také sú ciele veľvyslanectva Slovenskej republiky v USA, ktoré pripravuje odhalenie Štefánikovej busty.

„Chceme upriamiť pozornosť na tohto veľkého Slováka, politika a diplomata, ktorý zohral takú dôležitú úlohu v našej histórii. Tým konkrétnym podnetom pre mňa bola moja návšteva českého a slovenského múzea v Cedar Rapids v štáte Iowa, kde by som chcel dosiahnuť to, aby bolo ešte viac zastúpené Slovensko. A kým by to bolo lepšie, než takým predstaviteľom, akým bol Milan Rastislav Štefánik,“ povedal slovenský veľvyslanec Ivan Korčok.

Hoci Štefánik pôsobil najmä v Európe - v Taliansku, vo Francúzsku a v Rusku -, významné rokovania absolvoval aj v Spojených štátoch.

„Osobitný význam mala jeho cesta do Washingtonu a New Yorku v roku 1917, keď sa mu podarilo získať súhlas predstaviteľov americkej vlády na to, aby mohli Česi a Slováci vstupovať do československej armády, ktorú Milan Rastislav Štefánik budoval. Takisto hovoril aj s predstaviteľmi Čechov a Slovákov, aby získal ich podporu, ktorá sa ukázala ako rozhodujúca pre vznik Československa,“ pripomenul I. Korčok.

Štefánik dostane v múzeu aj stálu a väčšiu expozíciu. Odhalené budú slávnostne 21. novembra, keď sa v Národnom českom a slovenskom múzeu a knižnici v meste Cedar Rapids uskutoční aj veľké podujatie pri príležitosti výročia udalostí z roku 1989.

Ivan Korčok zdôraznil, že cieľom je nielen uctiť si Štefánika, ale aj upriamiť pozornosť na Slovensko a jeho politickú históriu.

„Uvedomil som si to minulý rok, keď sme oslavovali 25. výročie vzniku Slovenskej republiky: že po tom prvom období, keď sme mali plné ruky práce s tým, ako Slovensko etablovať na medzinárodnom poli, sa nám dnes už trochu rozväzujú ruky. Nemusíme už hovoriť o tom, kto sme a odkiaľ prichádzame, ale môžeme poukázať na to, že hoci naša štátna história má len 25 rokov, tá politická história, aj cez také osobnosti ako Milan Rastislav Štefánik, sa začala písať oveľa skôr,“ povedal diplomat.

Autorkou busty bude Klára Sever, sochárka pochádzajúca zo Slovenska a desaťročia úspešne pôsobiaca v Spojených štátoch. Na konte má napríklad aj projekty pre americký Národný úrad pre letectvo a vesmír (NASA) či pre Národnú futbalovú ligu (NFL).

V plánoch veľvyslanectva je aj druhá busta Milana Rastislava Štefánika na verejnom priestranstve vo Washingtone, kde má sochu tiež Tomáš Garrigue Masaryk.

„To by sme radi urobili na budúci rok, keď si pripomenieme 140. výročie jeho narodenia,“ povedal I. Korčok.

Milan Rastislav Štefánik, slovenský politik, astronóm, letec, generál a diplomat, mal zásluhu na formovaní československého zahraničného odboja počas prvej svetovej vojny a zohral dôležitú úlohu pri organizovaní česko-slovenských légii. Spolu s Tomášom Garriguom Masarykom a Edvardom Benešom bol kľúčovou osobnosťou pri založení ČSR v októbri 1918. - *TASR*

V TANZÁNII ZAHYNULA SLOVENSKÁ ETNOLOGIČKA

Dňa 19. augusta tragicky zahynula v Tanzánii slovenská etnologička a laická misionárka Emília Bihariová. Zomrela v pondelok pri autonehode v tanzánskom regióne Tabora, kde počas leta vykonávala vedecký výskum etnika Datogov. Auto v ktorom sa viezla Emília, dostalo defekt. Mladá slovenská dobrovoľníčka zraneniam podľahla priamo na mieste. V aute bol okrem šófera aj kňaz.

Emília Bihariová pochádzala zo Smoleníc, bola doktorandkou na Katedre etnológie a mimoeurópskych štúdií Filozofickej fakulty UCM v Trnave. Niekoľko rokov predtým však žila a pôsobila ako dobrovoľníčka v Tanzánii. V roku 2011 s ďalšou laičkou Zuzanou Ďuríkovou založila škôlku a školu v tanzánskej dedinke Shelui, ktorá fungovala vďaka podpore mnohých Slovákov. Obe dobrovoľníčky tam vyučovali miestne deti angličtinu. Do Shelui sa dostali na pozvanie miestneho farára, ktorý bol Emíliiným dlhoročným priateľom z čias pôsobenia v Ríme. Za podpory rektora bratislavskej Vysoké školy zdravotníctva a sociálnej práce sv. Alžbety prof. Vladimíra Krčméryho sa im neskôr podarilo v Shelui vybudovať i zdravotné stredisko.

V poslednom čase sa Emília venovala i podpore vzdelávania spomínaného pastierskeho etnika Datoga, ktoré vedecky skúmala. Svojou radosťou, obetavosťou, pevnou vierou a láskavosťou si získala srdcia mnohých ako na Slovensku, tak aj v Tanzánii.

V pondelok 19. augusta bol Svetový humanitárny deň, ktorý ustanovilo OSN. V centre jeho pozornosti sú tento rok práve ženy - humanitárne pracovníčky.

Armáda Slovenskej republiky disponuje už šiestimi vrtuľníkmi UH-60M Black Hawk americkej výroby. K štyrom, ktoré výrobca dodal ozbrojeným silám v minulosti, pribudli koncom augusta ďalšie dva. Zvyšné tri z celkového počtu deviatich obstaraných kusov priletia na Slovensko ešte v tomto roku. Ich celková hodnota predstavuje 261 miliónov dolárov. Slovenské vzdušné sily už majú vycvičených 17 pilotov týchto vrtuľníkov pre plnenie úloh krízového manažmentu.

Ceny bývania na Slovensku pokračovali v druhom štvrťroku v raste, tempo zdražovania zrýchlilo. Vyplyva to z údajov Štatistického úradu SR. Stúpajúce ceny bytov a domov ukázali aj skôr zverejnené údaje Národnej banky Slovenska (NBS). Bývanie v druhom štvrťroku zdraželo podľa štatistického úradu medziročne o 8,3 percenta, v prvom kvartáli tempo rastu cien dosiahlo 5,7 percenta. Rýchlejšie, až dvojciferným tempom, sa zvýšili ceny starších nehnuteľností. Za novostavby by si záujemcovia oproti vľajšiu priplatili päť percent. Podľa skorších údajov NBS priemerná cena metra štvorcového v bytoch a domoch na Slovensku vystúpila v druhom štvrťroku po revízii údajov na nový rekord. Vývoj ovplyvnilo hlavne vyššie tempo zdražovania bytov.
