Sts. Cyril and Methodius

February 14th
Message from our Supreme President

Michael J. Horvath

The Supreme Physical Fitness Board held their 2021 annual meeting on January 16 via Zoom. The Board reviewed their functions and the projects they were able to do in 2020. We all know 2020, the year of problems that was caused by the COVID-19 virus kept the Board from holding our annual fraternal activities. Not holding the Physical Fitness Board back, they kept trying to keep the Slovak Catholic Sokol members engaged. The one issue the Board found that needs to be improved is getting their message and information out to the Society’s leaders and members. With restrictions still in place and an uncertain future the Board continues to plan Sokol fraternal activities for 2021 with hopes that they will plan members will participate and enjoy.

To be informed, information is communicated via word, print and now electronically. For this to be successful the communication needs to be meaningful and sent to the audience it is meant to reach. The most important part of communicating is to be sure the recipient information, whether it is their address or e-mail address is correct. In the upcoming months all Assemblies, Wreaths and Groups should check their officer information to make sure it is correct. Then send your updated list to our Supreme Secretary, Scott T. Pogorelec. This will ensure all of our local and regional leaders are receiving current information and can be contacted by the Home Office and Supreme Officers.

The Falcon is the Slovak Catholic Sokol’s monthly communication vehicle. It started out as a weekly newspaper, all in Slovak, and over the years became a monthly publication. There is one thing missing in the Falcon which is so important to our Society and that is hearing from our Assemblies, Wreaths, Groups and members. The Society’s membership wants to hear from all of you. This is the way you share what is happening in your lodges and Groups and the accomplishments of your family. The Society has over 200 Wreaths and Assemblies, 19 Groups and 27,000 plus members that all have a story to share with the membership. If we received an article from every Group, Assembly and Wreath at least once a year the membership would learn about what you did and what is happening in our Society. So, I ask all Groups, Assemblies and Wreaths to submit an article or two to inform the membership what they are doing, have done or on your history. Share your good news to the rest of the membership and make the Falcon more exciting to read.

We will begin the 2021 Lenten season on February 17, Ash Wednesday. Most of the time we do not start thinking about Lent until Ash Wednesday and then we decide what to do. Today is the day to start planning on how you will live your forty days of Lent. In the past Lent was about giving something up, personal sacrifice, now it is more about changing our lives to help others. What you chose to do follow your plan. This year I heard Ashes will be sprinkled on our head instead of the making the sign of the cross on our foreheads. No matter how we receive the sign of the cross we will do our best to prepare ourselves for Easter.

On February 14 we celebrate Valentine’s Day the day set aside to remember St Valentine and other Christian martyrs and recognized the day of love. It is also the official feast day of Saints Cyril and Methodius who evangelized the Slavic peoples of Eastern Europe and are venerated in Slovakia and other countries. Let us celebrate this February 14 with prayers for the people we love and for help to be more like Saints Cyril and Methodius.

Our Drive to 50 Campaign is about half way completed and has produced some good results. There is still time for everyone, especially, Groups to get involved and sign-up new members or recommend individuals who you feel should be a member. If you have any questions contact our Supreme Secretary, Scott T. Pogorelec, F.I.C. or our Director of Sales, Albert J. Suess, Jr. F.I.C. for assistance.

As we continue to be in the grips of the COVID virus, Stay Safe and Healthy!

With God’s Blessings to All!
Zdar Boh!
From the desk of the Supreme Secretary

THE GOLDEN RULE
by Scott T. Pogorelec, F.I.C.

Therefore, whatever you desire for men to do to you, you shall also do to them; for this is the law and the prophets.
Matthew 7:12

Greetings from the Home Office! I hope everyone is staying safe and warm during this winter. The temperatures are creeping lower and lower here in New Jersey. Thank-fully, the snow has not followed those low temps...yet!

Our Supreme President, Michael J. Horvath, and I had the pleasure to be part of the Supreme Physical Fitness Board Meeting held via Zoom on Saturday, January 16th. We wish we were able to meet in person to map out our 2021 fraternal schedule, but given the circumstances, the SPFB did a great job running an efficient meeting. Many thoughts and ideas were exchanged, and the Board will be ready when the Covid-19 restrictions are lifted. They will keep the membership informed of any developments.

The beginning of a new year is always a good time to examine your current life insurance needs and to ask yourself a few questions.

- Do you know how much life insurance you have?
- Will your coverage meet the needs of your loved ones?
- If you own term insurance, do you know when it expires?
- Do you know your current beneficiaries?
- Is your life insurance properly structured to benefit your estate?
- Do your beneficiaries know who to contact if something happens to you?

If you need help answering any of these questions, please do not hesitate to call our Home Office and we will guide you in the right direction.

The month of February is filled with important dates and observances. February 1st is National Freedom Day, commemorating President Abraham Lincoln signing the Thirteenth Amendment abolishing slavery. The third week in February is Brotherhood/Sisterhood week. The week encourages people of diverse faiths to discuss not only our differences, but to recognize how we are all the same. This is something that we need to examine as a nation given the current times. As a Slovak Fraternal, not only do we celebrate St. Valentine’s Day on February 14th, but also the Feast Day of SS. Cyril and Methodius, who brought the gift of faith to our ancestors.

We honor SS. Cyril and Methodius, who are called the “Apostles of the Slavs” for their tireless work in spreading the Gospel throughout Eastern Europe in the 9th Century. On February 15th, we celebrate Presidents’ Day. Originally established in 1885 to celebrate President George Washington, it is now universally marked to commemorate all U.S. Presidents. As you can see, February may be the shortest month, but it is long in importance.

During this changing and volatile time, it is important for us to have some perspective. As we see the political turnover in Washington and at many local levels, let us remember the above Bible verse, which is the universal Golden Rule. We owe it to our children to be examples of integrity and character. I am confident in us.

I again urge all our members to stay diligent in fighting this virus. As temperatures become colder and activities are forced inside, please be smart. The light is at the end of the tunnel.

Until next time, stay safe, stay strong, and STAY POSITIVE! Zdar Boh!

“BEST LENT EVER”
Can’t believe we are well into 2021 and near the beginning of February already. So many of us have been waiting for 2020 to end, with the hope that Covid would be gone. 2021 is starting the same as 2020 left - it is up to YOU to make the change.

What better way than to focus more on God this year. We all want life to improve our lives so we exercise, eat a healthy diet, do more housework, focus on family activities, do acts of kindness, strive for higher grades, etc. but is that all we need? Let’s put more “God” in our life and see how that can make a difference.

Dynamic Catholic offers a “Best Lent Ever”; a daily reflection will be sent to you where you are asked to watch a short video. Sign up takes 10 seconds so go to www.dynamiccatholic.com to sign up now. If you don’t think you have time for this daily reflection during lent, please still sign up for it - watching one or two short videos a week is better than nothing.

God’s blessings as we all journey through these times together as a Sokol Family!!! – Lisa Hoeck
The month of February is traditionally dedicated to the Holy Family. Between the events which marked Christmas and the beginning of Christ’s public life the Church has seen fit to recall the example of the Holy Family for the emulation of the Christian family.

The Feast of the Presentation (February 2) or Candlemas forms a fitting transition from Christmas to Easter. The small Christ-Child is still in His Mother’s arms, but already she is offering Him in sacrifice.

This celebration harkens back to the Christmas mystery of Light except that now, Christ, the helpless babe, is “the Light of Revelation to the Gentiles who will save his people from their sins.” Candles, symbolizing Christ our Light, will be carried in procession this day, as will be the Paschal candle during the Easter Vigil Liturgy.

“The Light of Revelation” shines more brightly with each successive Sunday of Ordinary Time, until its magnificence – exposing our sinfulness and need for conversion – propels us into the penitential Season of Lent.

From the Congregation for Divine Worship and Discipline of the Sacraments, Ash Wednesday will look a bit different this year for most of us due to the Covid-19 safety requirements. The Priest says the prayer for blessing the ashes. He sprinkles the ashes with holy water, without saying anything. Then he addresses all those present and only once says the formula as it appears in the Roman Missal, applying it to all in general: “Repent, and believe in the Gospel”, or “Remember that you are dust, and to dust you shall return”.

The Priest then cleanses his hands, puts on a face mask and distributes the ashes to those who come to him, the Priest takes the ashes and sprinkles them on the head of each one without saying anything.

We then plunge ourselves into anticipating the major exercises of Lent – fasting, prayer, almsgiving – laying our thoughts and prayers on the heart of our Mother Mary, who offered her Son in sacrifice.

The saints that we will focus on this month and try to imitate are St. Blaise (February 3), St. Agatha (February 5), St. Paul Miki & Companions (February 6), St. Jerome Emiliani and St. Josephine Bakhita (February 8), St. Scholastica (February 10), Our Lady of Lourdes (February 11), the Chair of St. Peter (February 22) and St. Polycarp (February 23).

The feasts of Sts. Cyril and Methodius (February 14) and St. Peter Damian (February 21), is superseded by the Sunday Liturgy. The feast of the Seven Founders of the Orders of Servites (February 17) is superseded by the Ash Wednesday Liturgy.

This year the first 16 days of February fall during the liturgical season known as Ordinary Time which is represented by the liturgical color green. Green, the symbol of hope, is the color of the sprouting seed and arouses in the faithful the hope of reaping the eternal harvest of heaven, especially the hope of a glorious resurrection. The remaining days of February are the beginning of Lent.

The liturgical color changes to purple — a symbol of penance, mortification and the sorrow of a contrite heart.

Investment Report

Ms. Cynthia Cole, PNC Institutional Asset Management, for the President Horvath called upon Mr. Thomas Calimano and Underation. Approved

James F. Knis, seconded by Supreme Physical Director, John M. Underation.

Mr. Calimano and Ms. Cole discussed the portfolio’s current asset allocation, reviewed the historic and the year-to-date cash flows, discussed future potential portfolio repositioning and PNC's outlook for the financial markets and economy.

First, Brother Calimano and Sister Cole addressed various questions from the Board concerned our performance outlook and they indicated the Society is in a strong financial position, especially in this volatile fiscal environment.

The Board members thanked Mr. Calimano and Ms. Cole and President Horvath entertained a motion to accept the report, so moved by Chairperson of the Supreme Auditors, James G. Jerek, seconded by Supreme Physical Director, John M. Underation.

President Horvath then called upon General Counsel, John D. Pogorelec, Jr., Esq. for the Legal Department Report.

Counsel reported that there are two items to report on:

1. Brother Counsel reported on the mortgages and the Board will discuss potential options for the two mortgages that exist as they try to handle Covid-19.
2. Brother John also reported on a potential buyer for the print shop connected to the Home Office. There have been no new developments primarily due to the restrictions that the Covid-19 pandemic is forcing.

After a lengthy discussion regarding the above items, President Horvath entertained a motion to approve the report, so moved by Supreme Chaplain, Rev. Andrew S. Hvozdovic, seconded by Supreme Physical Directress, Katie Swift. Approved

President Horvath thanked the General Counsel and called on the Supreme Director of Sports and Athletics, James C. Matlon, for the Physical Fitness Board Report.

The Supreme Physical Fitness Board held a zoom call on November 7th to discuss the 2021 Fitness Board Meeting and the 2021 Slet. Much of the zoom meeting was spent discussing the 50th International Slet. Due to the Covid-19 pandemic, most of the meetings will be held online and will avoid physical gatherings that will limit the groups from having drills and gymnastics practices. With the recent resurgence in the pandemic, the Physical Fitness Board made a recommendation to the Board of Directors to postpone the 50th International Slet until July 2022.

If the Covid-19 pandemic is mitigated by the summer, the Physical Fitness Board is planning a family youth camp at SNPJ facilities in northwestern Pennsylvania in July 2021.

The dates for the 2021 Bowling and Golf Tournaments are:

- May 15-16, 2021 Bowling Brookgate Lanes
  Cleveland, OH
- August 6-8, 2021 Golf Treasure Lake
  DuBois, PA
- July TBD Family Youth Camp Western Pennsylvania

Also discussed was the enhanced efforts in 2020 and 2021 to market and advertise our Society.

Several questions were presented and addressed to the satisfaction of the Board and President Horvath thanked the Supreme Secretary for presenting the report. President Horvath then asked for a motion to accept the report, so moved by Supreme Treasurer, James F. Knis, seconded by Supreme Physical Director, John M. Underation.

President Horvath called upon Mr. Thomas Calimano and Ms. Cynthia Cole, PNC Institutional Asset Management, for the Investment Report.

In addition to our college grant program, we make available 18 Catholic High School Grants in the amount of $500 each as well as 36 Catholic Grade School Grants in the amount of $250 each. Please find these scholarship applications and directives in each of the next issues of the Falcon.

**SLOVAK CATHOLIC SOKOL COLLEGE SCHOLARSHIP – TIPS FOR SUCCESS**

I just wanted to take a moment to highlight the recent changes made to the Slovak Catholic College Scholarship Program. We will continue to use a completely on-line process as we have had few issues with the process over the past several seasons. With the help of our technical webmaster, we have redesigned the application process and you should find it to be much more user friendly.
You will find the on-line application on our website at www.slovakcatholicsokol.org beginning December 1, 2020.

To be prepared for this process a successful applicant should:

1. **Answer all questions on the application.**
   For example- if something does not apply to you, say N/A. If you are fully independent from your parents- as in, you are not claimed by them on their tax return, you should indicate that in the space asking for total parent income. Leaving this blank does not tell the whole story.

2. **Include all requirements for the application- i.e. photo; transcript; essay**
   - Be prepared to attach both your essay (in PDF or Word format) and a color head and shoulders picture of yourself (in jpeg format).
   - Transcripts- please note that “official transcript” means that you have requested it from your University or College and that it has been sent directly to me in a sealed envelope. We have not been as strict in the past on this issue, but began holding each applicant to this requirement last season and will continue to do so moving forward.

3. **Submit all required elements prior to the deadline.**
   The application is clear and I just want to prevent a waste of your time and energy.
   Failure to include/complete any of the above items will result in the application being disqualified. To be honest, it is not easy for our committee when we need to disqualify applicants for simple yet important missing requirements.
   Lastly, apply for all college scholarships for which you qualify in order to give yourself the best chance at receiving something. There were several applicants who limited themselves to a particular scholarship. Competition was fierce for the larger $ scholarships, but there seems to be more opportunity with the other scholarship offerings.

Not every applicant receives a scholarship every time they apply. If you have not received one in the past, I encourage you to apply again this year. Before submitting your application- take some time to review the bullet points above in order to assure that your application will be included for consideration.

Good luck and Zdar Boh!

EX-POLICE CHIEF MILAN LUCANSKY DIES IN HOSPITAL

Former police chief Milan Lucansky has died in a hospital following his suicide attempt in a detention cell on Tuesday, December 29.

Following his suicide attempt, Lucansky was taken to hospital in a critical state. Prison and Judicial Guards general director Milan Ivan stepped down in response. Justice Minister Maria Kolikova announced that she’ll form a large commission to investigate the incident that will be open to representatives of the opposition, the president, public ombudswoman and European institutions.

Former police chief Milan Lucansky, was in custody since the beginning of December over corruption-related charges.

GOV’T ALLOCATES 1,000 SOLDIERS TO HELP HEALTH STAFF DEAL WITH PANDEMIC

Up to 1,000 soldiers will be available every day to provide the necessary medical and sanitary support to health-care facilities. The Government approved the assistance for a long period, with the measure being provisionally valid until the end of June 2021.

“The unfavourable developments in the coronavirus-related situation in Slovakia requires the further engagement of the armed forces in order to support the country’s health-care sector,” stated the draft submitters.

In line with the approved resolution, soldiers should provide necessary medical and sanitary support under the supervision of skilled medical staff and after being trained at an appropriate health-care facility. Further details regarding the implementation of the government resolution (i.e. location, time, number of soldiers, etc.) will be agreed by the Health and Defence Ministries.

PG ZILINKA DECIDES TO TEMPORARILY SUSPEND PROSECUTOR KATARINA K.

Prosecutor-General (PG) Maros Zilinka on Thursday (January 7) decided to temporarily suspend prosecutor of the Regional Prosecutor’s Office in Bratislava Katarina K., who is being criminally prosecuted by a National Crime Agency (NAKA) investigator for money laundering in the form of complicity, TASR has learnt from PG Office spokesperson Jana Tokolyova.

“I believe that the prosecution service can be a credible institution only if respect for the law is equally required from all of us,” said Zilinka. The charges against Katarina K. were pressed and her criminal prosecution launched on January 4.

Katarina K. in early December 2020 filed a complaint concerning the alleged unlawful conduct by Special Prosecution Office’s (USP) prosecutors Ondrej Repa and Michal Surek in relation to her husband Marian K., a NAKA investigator who was remanded in custody as part of NAKA’s Operation Judas. The two allegedly forced him to confess to his crimes and cooperate with the police. They allegedly threatened to disgrace both him and his wife, claiming that he’ll be sent to prison if he doesn’t comply.

Opposition Smer-SD party chairman Robert Fico on December 4 announced he has filed a criminal complaint against Repa and Surek for committing several crimes. He asked the acting special prosecutor to suspend them immediately. The Prosecutor’s Council, however, labelled Fico’s claims as grossly misleading and untrue, being a part of a discrediting campaign against the prosecutors.

Subsequently, 59 prosecutors have objected via a joint declaration against statements made by Fico. The prosecutors warned that attacks by lawmakers on representatives of the law-enforcement authorities directly interfere with their activities, noting that they view this as an attempt to influence their actions.

RECOVERY OF TOURISM SECTOR WILL DEPEND ON RESTRICTIONS

The recovery of the tourism sector will depend on whether Slovakia will still be struggling with restrictions this year or it will be possible to travel and take recreation in a normal way, Transport Minister Andrej Dolezal has told TASR.

Dolezal said he personally puts high hopes in vaccination.

“I hope the situation will only improve from now on so that we can live, work and travel normally, which will help the whole economy the most,” he stressed.

The Transport Ministry already started to pay the money to help entrepreneurs engaged in the travel industry hit by the coronavirus pandemic. The ministry launched the assistance scheme on December 15. The assistance should continue until the end of 2021.

“This help compensates their fixed costs. It means compensation of losses that tourism facilities suffered on revenues compared to 2019,” said the ministry’s state secretary Katarina Brunckova, adding that the aid will be paid retroactively as well. She said that the assistance is directly dependent on the decline in revenues, ranging between 2 and 10 percent of them. The assistance scheme is targeted at the entire tourism sector, including restaurants, sports facilities, ski resorts, travel agencies and accommodation facilities.

PG ZILINKA ORDERS EXAMINATION OF ANTIGEN TEST PURCHASE

Prosecutor-General (PG) Maros Zilinka has ordered an examination of the purchase of one million antigen tests of the RaPiGen brand by the State Material Reserves Administration at a cost of 3.9 million, PG’s Office spokesperson Jana Tokolyova told TASR on January 11.

“The PG did so based on his official duties after hearing Prime Minister Igor Matovic’s (OLaNO) serious statements on Slovak Radio’s Saturday Dialogues on January 9, when he spoke about the alleged poor quality of purchased tests that will catch no one [who is COVID-19 positive], about ‘shoddy goods’ that he would never use to test even a dog, about deception and hocus-pocus on 250,000 tested people and about damages amounting to 3.9 million,” said Tokolyova.

“I will ask my colleague [Economy Minister] Richard Sulik (Freedom and Solidarity/SaS) about those damages now,” said Matovic on Slovak Radio regarding the antigen tests, which were procured by Sulik. “We gave people the false impression that they aren’t ill,” stated Matovic.

Matovic blames Sulik for the lack of antigen tests in Slovakia and so wants to take the power to procure tests out of the minister’s hands and give it to some other Cabinet member. “We must take this power away from Sulik, as he would purchase tests as late as in August,” claimed Matovic.

MATOVIC ANNOUNCES PLAN TO CARRY OUT MASS TESTING ON WEEKLY BASIS

Prime Minister Igor Matovic announced on January 11 after a session of the Government that dealt with the current situation surrounding the coronavirus pandemic that there’ll be further rounds of mass testing for COVID-19 in the country that will take place on a weekly basis, starting as of next weekend at latest.

According to the premier, the weekly testing will stay in place as long as the basic reproduction number of the virus exceeds 0.5. Representatives of individual parties and institutions that will carry out the upcoming rounds of mass testing will meet already on Monday evening. Matovic explained that their aim is to prepare the operation so that it goes as seamlessly as possible and to prevent the mistakes from the first rounds of mass testing that took place in the autumn. The first week of renewed mass testing will concern all districts in the country.

Matovic stated that at the current pace, the spreading of the virus won’t significantly change for the better until the population is vaccinated despite the current lockdown. He mentioned in this regard the new, more aggressive coronavirus variant that has started to spread from southeastern England and its impact on the reproduction number of the virus and its further spread.

Speaking on a related note, Matovic once again criticised how the Economy Ministry proceeded in procuring antigen tests in recent weeks. According to the premier, the fact that the ministry failed to purchase a sufficient number of tests could result in the deaths of 4,300 people and cause economic damage amounting to 1 billion. At the same time, Matovic claimed that he’ll remove the task of procuring antigen tests from the Economy Ministry.

SLOVAK DESIGNER WINS TOP PRIZE FOR OCEAN STATION PROTOTYPE THAT REMOVES PLASTIC FROM THE SEA

A prototype ocean cleaning facility by Slovak designer Lenka Petráková has scooped the highest award in an architectural competition for projects posing creative solutions to environmental challenges.

Called The 8th Continent, the floating station designed to solve one of the world’s most pressing pollution problems: ocean plastic waste. Marine debris currently covers a surface of approximately 1.6 million square metres in the North Pacific — known as the Great Pacific garbage patch — which, as Petráková suggests, could be considered the world’s eighth continent.

The 8th Continent was awarded the 2020 Grand Prix Award for Architecture and Innovation of the Sea from Foundation Jacques Rougerie, a French institute that awards visionary projects that encourage sustainable collaborations between scientists and designers.

Petráková’s model consists of interconnected petal-shaped buildings which stand on tentacle-like platforms, and all work together to collect plastic debris from the water surface and transform it into recyclable material. The prototype also features a research and education centre that studies and showcases marine environments, a greenhouse where plants are grown using hydroponic cultivation — a method for growing plants without soil just using water — and living facilities for the station’s researchers.

Petráková prototype is conceptualised to be self-sufficient and both adapt and benefit from the ocean’s environment. The buildings are designed to allow wind to pass through the station, making it more resistant to strong ocean winds, collect water for irrigation, and harness tidal and solar energy.

“Although it is an unbuilt project, as Jules Verne said, anything one man can imagine, another man can make real,” says Petráková. “And I believe today is the time to imagine a cleaner, environmentally more sustainable future and ways to achieve it with technical, architectural and artistic creations, to allow us to build them for ours and the world’s better tomorrows.”

KIDS’ CORNER “Detský kútik” – February 2021

Saint Valentine is the name of many martyred saints that lived in Ancient Rome. At least three different people named Valentine are said to have died on the 14th of February. Even though nobody knows who exactly Valentine was and where he came from, it has been confirmed that he existed because archaeologists discovered a church dedicated to Valentine.

In the Catholic church, Valentine was the patron of love, young people, and happy marriages.

There are many guesses about how Valentine’s Day, a celebration of love, started. One legend says that Valentine, being a priest, performed secret wedding ceremonies when they were outlawed by Emperor Claudius II. When someone discovered that Valentine was breaking the law, he was ordered to be executed.

Another theory is that Valentine helped captive Christians to break out of prison. When he himself was in prison, Valentine may have sent the first love letter to a young girl who liked to visit him.

INSTALLATION OF BISHOP-ELECT LARRY KULICK
SET FOR FEB.11 IN GREENSBURG, PA

by Peter Smith, Pittsburgh Post-Gazette

When he received a recent call from the Vatican representative to the United States, Monsignor Larry J. Kulick thought he might be receiving an update on the search for a new leader of the Diocese of Greensburgh, PA.

Msgr. Kulick had been serving as administrator of the diocese since September 2020, when previous Bishop Edward Malesic became Bishop of Cleveland, OH.

What Msgr. Kulick didn’t expect was that he would get the assignment himself - that Pope Francis had named him the sixth Bishop of Greensburg. It was the ecclesiastical equivalent of offering a permanent job to the temp.

“What I heard so clearly was an invitation to serve” and as a “tremendous bonus and blessing, to continue to serve in the Diocese of Greensburg,” he said at a recent news conference at Christ Our Shepherd Center, a church center in Greensburg, PA.

While bishops are typically appointed from outside of a diocese, it's not rare to have a native of that diocese become its bishop. The most recent two bishops of the Diocese of Pittsburgh, David A. Zubik and Donald Wuerl, grew up and became priests in that diocese, but returned home only after each served as bishop in another diocese.

But Msgr. Kulick said it’s more unusual for a priest to be appointed directly from within a diocese and for a temporary administrator to find his caretaker role turned into a permanent one. He said it may reflect Pope Francis’ emphasis on pastoral leaders - “to have a bishop being named who is called to shepherd in the diocese they were raised and served in.”

Msgr. Kulick, 54 will be ordained and installed as bishop on February 11 at Blessed Sacrament Cathedral, by the metropolitan Archbishop of Philadelphia, Nelson Perez.

This is the diocese in which I was born, baptized, received all of my sacraments, was ordained and served as a priest for 28 years,” he said. “I do not underestimate this privilege, nor do I take it lightly. I promise our Holy Father and each of you that I will strive to...be the best shepherd I can.”

A native of Leechburg, PA, he grew up at the former St. Martha Parish, an ethnic Slovak congregation where he developed his affinity for Slovak religious and cultural traditions. He graduated from St. Joseph High School in the Natrona Heights section of Harrison, St. Vincent College and St. Vincent Seminary.

Msgr. Kulick is a canon lawyer and has served as the pastor at St. James Church in New Alexandria since 2012. He’s a classic-car enthusiast, with an affinity for Pontiacs, which he has brought to the parish’s annual car cruises.

The term Monsignor is an honorific title usually given to a priest who has performed an important service or holds an important position. He will be the sixth bishop to head the diocese. The first five came from other dioceses in Pennsylvania. The Rev. Thomas Reese, a Religious News Service columnist, said appointments such as his have some precedent. “A diocesan administrator is normally someone who would be considered a candidate,” said Father Reese, a priest and author of books on the Catholic hierarchy.

The Greensburg Diocese includes 78 parishes in Armstrong, Fayette and Westmoreland counties.

It has 126,649 Catholics, according to the 2020 Official Catholic Directory. Like many Catholic dioceses in the region, its ranks of members have been aging and decreasing amid demographic shifts and growing secularization. The Church has lost 14% of members in the past five years and nearly a third in the past 20 years.

For those who have been active in their parishes, he appealed to them to continue to be so and to expand their work where they can. He apologized to victims of sexual abuse, saying he has met “face to face” with survivors and would do what he could to help them and prevent future abuse.

The diocese was one of six named in a 2018 statewide grand jury report which said 20 of its priests had been accused since the diocese’s creation in 1951. The diocese has paid $5.9 million from a compensation fund to 72 survivors.

He acknowledged the impact of the coronavirus. “Mass attendance is 30 to 40% of pre-pandemic levels,” he said, and impacting financial giving. “But I want you to know that even during the pandemic, God’s work continues.

He applauded Catholics’ responses to the pandemic in mobilizing to aid the needy and providing for ministry remotely and in person using safety precautions. He also pledged to continue the diocese’s response to the opioid epidemic in the region, which was a priority of Bishop Malesic’s work.

Religious leaders from the region applauded his appointment.

“He has been a very good friend to our congregation,” said Sister Catherine Meinert, provincial superior of the Greensburg-based Sisters of Charity of Seton Hill. “Our prayers will be with him as he assumes leadership of our diocese.”

Msgr. Raymond Riffle, rector of Blessed Sacrament Cathedral and director of Catholic Charities for the diocese, has known Msgr. Kulick since the early 1990’s, when they served at the same parish.

“When...he is talking with you, that’s where his attention is, and you definitely know that he is interested in what you have to say and that it is important that he hear it,” said Msgr. Riffle. “He has always evidenced that desire to be connected to the people.”

“Bishop-elect Kulick is an amazing pastor and an outstanding administrator, said Bishop David A. Zubik in a statement. “I have known him since he was a seminary student. He was impressive then and even more so now.”

The Rev. Liddy Barlow, executive minister for Christian Associates of Southwest Pennsylvania, an ecumenical organization of Catholic, Orthodox and Protestant denominations, said Msgr. Kulick has “demonstrated a strong interest in ecumenism and a warm, pastoral heart.”

Archabbot Martin de Pores Bartel of St. Vincent Archabbey in Latrobe, PA noted that Msgr. Kulick studied at its affiliated college and seminary. “We are so pleased that ‘one of our own’ will take the helm as our chief shepherd,” he said in a statement. “We look forward to our continued partnership with him.”

Bishop-elect Kulick is our long-time member of the Slovak Catholic Sokol in Wreath 15. He also enjoys membership in the First Catholic Slovak Union and the First Catholic Slovak Ladies Association and supports the work of the Slovak Catholic Federation.

Our congratulations and fraternal best wishes go out to Bishop-elect Kulick, who so beautifully mirrors our Cyrilo-Methodian heritage of faith and heritage.

POMOCNÍCI V BOJI PROTI VÍRUSOM

V súčasnom období plnom nepríjemných vírů je dôležitá prevencia. Zdravý organizmus pôsobí v prírode či prechádzanie.

V zdravej životospráve je prirodzenosťi konzumovať dostatoch ovocia a zeleniny. Predovšetkým potraviny obsahujúce vitamínne rozpoznate v tuku - avokádo, orechy, vajcia atd. - pridržené obsahujú aj tuku, vďaka ktorým sú spomenuté vitamínne lepšie rozpoznate.

Medzi jedlá by sme v boji proti vírusu mali zaradiť osvedčený recept našich starých rodičov - hydinový vývar so zeleninou. Nielen že zahrie a zabráni dehydratácii, navštevuje hydinové mäso sa pýši obsahom aminokyselín, ktoré sú dobrovým pomocníkmi pri uvoľňovaní hlienu v dutinách a v pľúcach.

Zázvor je nesmierne účinný nielen pri prevencii, ale aj pri prielbe samotnej. Je bohatým zdrojom vitamínov, zlepšuje trávenie, podporuje tvorbu žalúdočnej šťavy a má upokojujúce účinky. V spojení s medom je ideálnou kombináciou, práve vďaka jeho protizápalovým účinkom.

Cesnak je prírodným antibiotikom s protizápalovými účinkami. Protizápalové účinky ešte zvýšite kombináciou cesnaku a medu, napríklad v podobe cesnakojej pasty s medom. Ideálne je konzumovať cesnak čerstvý, ak ho váš trávnik nie znesie.

Malý chlapec sa márne snaží dočiahnuť na zvonček. Ide okolo staršího pán, a tak mu pomôže. Keď zazvoní, chlapec sa zavedie: "Fajn dedo, teraz utelajme!"

Keď vyjdú konečne pešo hore, lebo výťah nejde, chlapec povie: "Tak, tu je to. Ale ak sa chcete s ním rozprávať, sedí na lavičke pred domom.
