Message from our Supreme President
Michael J. Horvath

In three weeks, the winter of 2022 will be behind us, the cold, freezing rain and snow will just be memories. Then spring arrives with warmer weather to awaken the sleepy earth to show us all of nature’s beautiful color that it has been hiding for the past six months. We now can start to enjoy more outside activities since we put away our winter coats, hats, and scarves for another year. Let the sunshine in!

In a few days we will begin the Lenten season, our Christian journey of our faith and belief in Jesus Christ. Lent is the time we make sacrifices to help us become better Christian. This can be difficult sometimes because we are human. Take time each day to reflect on how to be a better Christian and what we can do to help others in need.

The Supreme Physical Fitness Board held its annual meeting to plan the Society’s fraternal activities for 2022 and 2023. The Board realizes there are still issues with the pandemic and are working to assure all our activities are safe. The Board’s main concern is holding the Clinic this year to prepare Group leaders for the 50th Slet. It is important for all Group leaders, to provide the Board information when asked for. It is only with good information that the Board will be able to make the proper plans for all fraternal activities for the membership to enjoy.

The Board of Directors will hold its first quarterly meeting March 18-19, 2022, at the Mohegan Sun in Wilkes-Barre, PA. The Board of Directors will review the Society’s 2021 business results and fraternal activities. This will be the second in-person meeting the Board will be held since 2020. There is a lot to discuss at the meeting and begin the Society’s planning for 2022 and 2023 which will include preparing for the 34th Convention scheduled for, August 5-8, 2023, inScranton, PA.

The Governance Committee held its first meeting on February 23 via Zoom. They are ready to start their work to examine the Society as it compares to other fraternal societies. They will examine how other fraternal societies are structured, and operate, and what their financial strength, growth, and activities were over the last four years.

Since spring is beginning let us awaken our Slovak Catholic Sokol enthusiasm and review our life insurance and investment plans. If we need more life insurance or our investments are not producing a return that is more than what the Sokol annuities offer contact our Supreme Secretary of Director of Sales for assistance.

May all members who have Irish ancestry or become Irish on St. Patrick’s Day have a great celebration on March 17, 2023, Šastný Deň svätého Patrika.

Stay Safe and Healthy,
And with, God’s Blessings to All!
Zdar Boh!

“And let us not grow weary of doing good, for in due season we will reap, if we do not give up.” Galatians 6:9

Greetings from the Home Office! Temperatures are slowly climbing here in New Jersey. My hope is that Punxsutawney Phil is wrong in his prediction and spring is on its way, but March does like to bring surprises. On the Covid front, we seem to be turning a corner, but we have been here before, so we need to stay vigilant and safe against this virus.

As we observe Ash Wednesday this week on March 2nd, the first week of Lent is upon us. Lent is a special time of prayer, penance, and sacrifice as we prepare for the celebration of Easter. The forty days of Lent commemorate the forty days Jesus spent fasting in the desert where he encountered temptation from the Devil. Lent is time where we reflect and strengthen our relationship with the Lord. I urge all our members to use this valuable time of reflection and be thankful for all that you have.

Our Supreme President, Michael J. Horvath, and I had the pleasure to be part of the Supreme Physical Fitness Board Meeting held via Zoom on Saturday, February 12th. We wish we were able to meet in person to map out our 2022 fraternal schedule, but given the circumstances, the SPFB did an excellent job of running an efficient meeting. Thoughts and ideas were exchanged, and the Board will be ready when the Covid-19 restrictions are lifted. They will keep the membership informed of any developments.

As a Slovak Fraternal, not only did we celebrate St. Valentine’s Day on February 14th, but also the Feast Day of SS. Cyril and Methodius, who brought the gift of faith to our ancestors. We honor SS. Cyril and Methodius, who are called the “Apostles of the Slavs” for their tireless work in spreading the Gospel throughout Eastern Europe in the 9th Century.

We kick off our Spring Sokol calendar with the first Quarterly Meeting of the Board of Directors, which will be held in Wilkes-Barre, PA on March 18th-19th. Our Board, which is the highest governing body of our organization between Conventions, will be making the important decisions to ensure our successful future. We will get a chance to hear from our hired professionals who will report on our 2021 results and 2022 projections. In the coming issues, you will have the opportunity to read the reports our Directors, as well as the Official Minutes of the Board of Director’s Meeting. I recommend that you take the time to read each report to acknowledge the time and effort put in by each of our Officers.

As we enjoy the beginning of the new spring season, the date April 15th is also drawing near. That of course is the deadline to file your tax return. I hope that most of our members will be enjoying a nice refund. If in fact a refund is in order, have you thought what you would do with the extra cash? This year, why not do something that would allow you to secure your future for yourself and your family and make it easier for you to purchase those items down the road. This year, why not invest in a Sokol Annuity?

Our Vantage Collection of annuities offers financial protection and supplies you with the same fraternal benefits as if you had a standard life insurance policy. Our current rates are extremely competitive and are certainly more attractive than any bank CDs currently available. Your investment can grow rapidly since there is no initial service, contract, or premium fees. Every dollar you pay in premium goes directly to your account’s cash value and starts earning interest immediately. Another key factor is that our annuity products are tax deferred, meaning your gains are accumulated tax free and only gets taxed upon constructive receipt of the gain. This allows for the growth to be compounded on the portion of earnings and not subjected to investment taxation. As you can see, the benefits of investing in our products are plentiful. Think about using that tax return in one of the smartest ways possible in securing your future and retirement. If you have any questions, give me a call at the Home Office or call our Director of Sales, Albert J. Suess, F.I.C., at (412) 381-5431, and we would be glad to assist you.

Until next time, stay safe, stay strong and STAY POSITIVE!

Zdar Boh!

**Thoughts from our Supreme Chaplain, Rev. Andrew S. Hvozdovic**

**WHAT IS LENT?**

Every religion has its own seasons in the same way that every generic calendar year does. If you take a look at the month of February, you’ll stumble upon holidays such as Valentine’s Day and US Presidents’ Day.

However, these two examples are representative of global and government-related holidays. Another category of holidays is all about religious days of celebration. One of the most significant periods of time for followers of the Christian faith is a season known as Lent.

Religious Seasons 101: What is Lent?

So, we know that Lent is a time period that typically begins in February or March (depending on the liturgical year). We’ve already touched on the fact that Lent holds a plethora of importance for followers of Christ. However, what exactly does Lent mean, and why is it so important to the various Christian denominations?

Well, to start with, the Lenten season is an incredibly historic and symbolic time for Christians. The religious season dates to Jesus Christ’s life on earth. He lives forever in the hearts of his followers, but the Lenten season is a direct reflection of the days that eventually led up to his crucifixion. The day Jesus was nailed to the cross in Jerusalem is recognized as Good Friday in modern times.

Lent begins the day of Ash Wednesday, which is a religious day that is observed for the sake of recognizing our faults as human beings and taking the time to repent for the sins we have committed throughout our lifetimes.

Though not all Christians abstain from eating meat and drinking on Ash Wednesday, members of many denominations will participate in a full day of fasting once a week—typically on Fridays. In regard to the element of fasting, there is no hierarchy of devotion to one’s religion or dedication to the season of Lent.

Just because one person decides to fast for the entire six weeks, that doesn’t mean their faith is stronger or better than someone who doesn’t restrict their intake. Fasting is simply an additional way of paying mind to one’s religion or dedication to the season of Lent.

In today’s Christian community there are many iterations of fasting. Many people make a vow to fast from things such as negative thoughts, gossiping, social media binging shows on streaming sites, alcohol, and much more. New traditions also include adding things to your life for these 40 days such as setting aside time to meditate and pray each day, visiting shut-ins, and doing service.

Giving alms to the poor is another ancient tradition of the Lenten season. For many, the money they would have used for an item they are fasting from during Lent is collected and donated to the missions or a charity of your choice. For instance, if you usually drink a bottle of wine on the weekends and are fasting from that, the funds you would have spent on the wine you would donate. This act of charity adds a deeper meaning to the sacrifice you are making by fasting from something you enjoy.

In addition to our college grant program, we make available 18 Catholic High School Grants in the amount of $500 each as well as 36 Catholic Grade School Grants in the amount of $250 each. Please find these scholarship applications and directives in each of the next issues of the Falcon.
SLOVAK CATHOLIC SOKOL COLLEGE
SCHOLARSHIP - TIPS FOR SUCCESS

I just wanted to take a moment to highlight the recent changes made to the Slovak Catholic Sokol College Scholarship Program. We will continue to use a completely on-line process as we have had few issues with the process over the past several seasons. With the help of our technical webmaster, we have redesigned the application process and you should find it to be much more user friendly. You will find the on-line application on our website at www.slovakcatholicsokol.org beginning December 1, 2021.

To be best prepared for this process a successful applicant should:

1. **Answer all questions on the application**
   For example- if something does not apply to you- say N/A. If you are fully independent from your parents as in, you are not claimed by them on their tax return, you should indicate that in the space asking for total parent income. Leaving this blank does not tell the whole story.

2. **Include all requirements for the application- i.e. photo; transcript; essay**
   Start the process for requesting your transcript NOW. I have found that sometimes this is the hold up for some applicants.
   - **Transcripts**- please note that “official transcript” means that you have requested it from your University or College and that is has been sent directly to me in a sealed envelope. We have not been as strict in the past on this issue, but began holding each applicant to this requirement last season and will continue to do so moving forward.

3. **Submit all required elements prior to the deadline**
   The application is clear and I just want to prevent a waste of your time and energy. Failure to include/complete any of the above items will result in the application being disqualified. To be honest, it is not easy for our committee when we need to disqualify applicants for simple yet important missing requirements.

Lastly, apply for all college scholarships for which you qualify in order to give yourself the best chance at receiving something. There were several applicants who limited themselves to a particular scholarship. Competition was fierce for the larger $ scholarships, but there seems to be more opportunity with the other scholarship offerings.

Good luck and Zdar Boh!

SLOVAKIA AND USA SIGN DEFENCE COOPERATION AGREEMENT

Left to right: Slovak Defence Minister Jaroslav Nad, Slovak Foreign Affairs Minister Ivan Korcok and US Secretary of State Antony Blinken. (Photo by U.S. Department of State)

Slovakia and the USA signed the Defence Cooperation Agreement (DCA) in Washington on Thursday, February 3rd.

Defence Minister Jaroslav Nad signed the agreement on behalf of Slovakia, while Secretary of State Antony Blinken did so for the USA. The agreement is yet to be okayed by the Slovak Parliament and ratified by the Slovak president.

“The level of cooperation between Slovakia and the United States has been excellent for a long time. Defence cooperation with the United States has significantly contributed to the successful transformation and modernisation of the Slovak Army, especially the air force and the special operations force. We’re giving a legal framework to this cooperation today. It's an expression of our joint commitment as NATO allies in relation to trans-Atlantic security,” Defence Ministry spokesperson Martina Koval Kakascikova reported Nad as saying following the signing ceremony.

Slovak Foreign Affairs Minister Ivan Korcok was also present at the ceremony. “Strengthening defence cooperation with the main guarantor of our security, especially at a time of deepening uncertainties and geopolitical tensions, is a natural step for Slovakia. In addition, we should realise that we are the last country on the EU and NATO eastern border to do so,” he said.

Blinken highlighted the agreement’s benefits for the two countries before the ceremonial signing. At the same time, he objected to disinformation surrounding the agreement, stressing that the document is based on mutual cooperation and respect and represents the interests of both governments.

The agreement will enable US military forces to use Slovakia’s Malacky-Kuchyna and Sliac military airbases and other facilities and premises as per agreement for a period of ten years. The Government representatives declared that the agreement doesn’t endanger Slovakia’s sovereignty. The opposition criticises the DCA, claiming that it will allow US military bases to be set up, bring US troops closer to Russia’s borders and curtail the powers of Slovakia’s state authorities.

HOUSE GREENLIGHTS SLOVAK-US DCA

Parliament on Wednesday, February 9 approved the Defence Cooperation Agreement (DCA) with the USA. Of the 140 MPs present, the document was supported by 79, while 60 voted against.

The DCA is designed to allow the US Armed Forces to make use of Slovak military bases in Malacky-Kuchyna and Sliac and any other agreed facilities free of charge. The document should be valid for ten years. After this period, it could remain valid or be terminated with one year’s notice.

According to Government representatives, the DCA is intended to strengthen military cooperation between Slovakia and the USA. Both Nad and Korcok declared that it fully respects Slovakia’s sovereignty, denying that it would serve as a prerequisite for a permanent presence of the US Armed Forces on the territory of the country.

Meanwhile, the opposition has taken a critical approach towards the document, claiming that it allows US troops to close in on Russia’s borders and limits the powers of Slovak authorities.

President Zuzana Caputova ratified the Slovak-US Defence Cooperation Agreement on Wednesday, February 9. In an attempt to dispel public concerns regarding the document, she made sure her authorisation for signing the document by the Government includes an interpretation clause that addresses parts of the agreement that raise questions. The Americans also drafted an interpretation clause of their own, which, according to the president, corresponds to its Slovak counterpart in terms of contents.

KORCOK AND NAD COMMEMORATED DIPLOMAT STEFAN OUSKY

Slovak Foreign Affairs Minister Ivan Korcok honored the memory of prominent Slovak diplomat Stefan Osusky (1889-1973) in Washington, D.C. on Wednesday, February 2.

INFLATION SWELLED TO 3.2 PERCENT IN 2021, HIGHEST VALUE IN NINE YEARS

Yearly inflation in 2021 increased to 3.2 percent, the highest value in the past nine years, as a result of rapid growth in prices in the second half of the year.

The Statistics Office noted that last year prices rose faster than the professional public expected. In 2020, under the influence of the pandemic, inflation reached only 1.9 percent.

“Developments during 2021 were turbulent, while in the first two months consumer prices rose by less than one percent, their growth rate gradually increased. From July, year-on-year price growth grew above three percent and in the last month of the year approached six percent,” noted head of the price statistics department Stefan Adamec.

Last year, prices rose in all 12 main components of the consumer basket. Higher prices in transport had a significant effect, especially the growth of fuel prices – with an annual average by 17.3 percent. According to statisticians, this growth is also a consequence of the base effect, as fuel prices fell in 2020 and 2019. Rising prices of tobacco products after tax adjustments in March 2021 also had a significant impact, rising by 13.7 percent year-on-year.

Vlhova was back in eighth place after the first run ended, trailing by a considerable 0.72 seconds behind then-leader Lena Deurer of Germany.

The 26-year-old Slovak skier won her first-ever medal at the Olympics. Moreover, she’s also become the first Slovak to win any medal in Alpine skiing disciplines in Olympic competitions.

Vlhova has become only the fourth Slovak to win a medal at the Winter Olympic Games, joining the ranks of biathlete Anastasia Kuzmina (3 golds, 3 silvers), snowboarder Radoslav Zidek (1 silver) and biathlete Pavol Hurajt (1 bronze).

On April 17, 2022 Marion (Pluta) and Michael Swist will celebrate their 51st wedding anniversary. Last year they celebrated their 50th anniversary with a mass and a renewal of their vows in Our Lady of Consolation Church in Brooklyn, New York, the church where they were married and it has remained their parish. They are members of Assembly 299 in Brooklyn, NY. The photo is from the celebration with their son Christopher (in the middle). Marion is the daughter of Helen (Zimowski) and Anthony Pluta. Michael is the son of Rosemary (Kirk) and John Swist. The couple has two children, Christopher of Sunset Utah and Helene Gonzalez of Allentown, Pennsylvania. They have two grandsons, Richard Jr. and Jayden. Their grandsons are 5th generation of Sokol members. The pastor streamed the mass virtually as Marion had throat cancer and has been in quarantine. She received the sacrament of the sick at the mass. They intend to celebrate when the pandemic will be over.

Greetings, and I hope that 2022 is a year for all of us to start feeling a sense of normalcy in our daily lives, as the past two years have been hard on us all. The whole world is praying that this pandemic is in its last stages, and can be put in our rear view mirrors soon.

The Supreme Physical Fitness Board has just wrapped up their annual meeting via Zoom over the weekend of February 12th. As we reviewed last years Sokol Fest, International Golf tournament and the local activities submitted by the Groups, we discussed what was working to get members to events. As everyone would guess, it is having leadership to organize and recruit to each event. And that is the secret sauce! But we all know what happens to any organization that does not have a succession plan in place for leadership, it will slowly lose the activities that once were regular events to its members. This was a major discussion point during our SPFB meeting, and going into our 50th International Slet in 2023, we as an organization need to step up and make it a resounding success!

This leads me into who to turn to in this instance, THE KIDS!! I am referring the kids of those 40, 50 and even the 60 year old generations that have attended Slets and other events over the years. Those kids who have not yet helped organize a Sokol event or taken any leadership roles for their wreath or assembly. Those kids that have not had a chance to make friends with people from Toronto, Wilkes Barre, Pittsburgh, Passaic, East Douglas, Cleveland, Reading, Youngstown, and all of the other great cities in which our fraternal brothers and sisters live. Those kids that need a chance to experience all of the great resources that the Slovak Catholic Sokol can offer them. And how does this happen you say? By being active in the events that we do offer, and bring your kids! I can vividly remember coming to Sokol events with my parents. They would put me at the end of the bowling alley with the other kids, and we would bowl just as long as they did. Bring your KIDS!! They may complain at first, but they will thank you on the way home.

Below is a list of the 2022 events that everyone will be bringing their kids to, and hopefully encouraging them to take an active role in their local area events as well. For the 30 and over Sokol members, I do want you to pay special attention to the details listed below for our 50th Slet in 2023.

1) International Bowling Tournament – Will be held May 13-14th in Brookpark, OH at the AMF Brookgate Lanes. Registration forms are on the SCS website.
2) International Clinic – Will be held July 14-17th in Kutztown, PA. We are headed back to Kutztown University after a 12 year hiatus, and the campus has improved even more with new housing, facilities and dining. Kutztown will be the site of our 50th Anniversary Slet in 2023. More details to follow in the coming months.
3) International Golf Tournament – Will be held August 12-14th at Treasure Lake Country Club in Dubois, PA. More details to come in future issues.
4) 50th International Slet – Will be held July12-16, 2023 at Kutztown University. Dust off those old track shoes, because we are coming after as many alumni as we can to participate in this historic event! IMPORTANT SLET UPDATES: New OVER 30 age division in track! Yes, you read that right, over 30 age division. No need to run against those spry 19 year old’s anymore, you get to run and throw against the less spry competitors. BONUS: We will be introducing a co-ed 3 on 3 basketball tournament for the 8-9 and the 10-12 age divisions. After many years of requests, the SPFB has decided to add this event for the Juniors. Save the date, and lets make the 50th Slet one for the ages.

I want to personally invite and encourage all of our members to take advantage of our fraternal events, because we are unique in what we do as an organization. We are reliant on our members participation to ensure that these programs can continue for generations to come. I also encourage anyone who has not signed up on our Slovak Catholic Sokol Facebook page to do so. It is an easy and convenient way to stay connected to events and friends on all levels of the Sokol organization.

Lastly, if you have not yet, tell your kids about the Slovak Catholic Sokol, and what it means to you. Encourage them to take a role in your local events, and show them how to be a leader, because if our kids don’t, it will always be an uphill battle. Have a blessed New Year and I hope to see all of you at the 2022 events!

Fraternally,
John Underation
Supreme Physical Director

Life insurance is always a perfect gift for that special loved one. It’s a gift that will last a lifetime. It cannot be lost, stolen, broken or squandered away. It is economical, worth something immediately and appreciates in value over the years.

Of course it is a Slovak Catholic Sokol life insurance policy or annuity plan. By providing your child, grandchild or other members of your family and friends with a Sokol insurance policy, you have a number of advantages which should be considered. It is first and foremost a lifetime of insurance protection at a cost that can never be replicated. It also creates a cash value account that may be used for future college expenses or some other of life’s emergencies. And, you will have also protected that loved one’s insurability which means that no matter what happens to their health in the future, they will always be insured under the policy you purchased for them.

Another important fact about life insurance is that it is the cornerstone of any financial plan. By purchasing a policy today when rates are low, you will have started that special child or grandchild off on the right road to financial success.

And in addition, the Slovak Catholic Sokol offers a number of fraternal benefits. Our athletic and gymnastic programs emphasize our belief in both physical and mental health, as well as our commitment to our fraternal way of life. Each year, our organization provides scholarship grants to our members. As a firm believer in the Catholic school system, we provide grants to students attending Catholic grade school and high school. We also offer a generous number of college scholarships as well.

So why not purchase that life insurance policy or annuity plan now so that the new year can start that loved one on the road to financial success. Give a call to our Director of Sales, Albert J. Your donation will assure that an annual scholarship be given out to a college age student who best exemplifies the meaning of fraternalism and volunteerism. Here’s how it works: Send a check or money order to the Memorial Scholarship Fund clearly indicating the name to be memorialized. You can find a donation form on line at http://slovakcatholicsokol.org/members/memorialfrmframe.htm or simply send your donation to: James F. Knis, SCS Museum Treasurer, 6385 Harbor Drive, N.W., Canton, OH 44718. Your bequest will be recognized in the Falcon as well as permanently added to the Memorial Scholarship Donation Log which will be kept at the Sokol Museum. Depending on the amount of funds collected, we will be able to award at least two $1,000 scholarships annually. The hope is that the donated funds will begin a self-perpetuating interest bearing scholarship account.
