

GENERAL INFORMATION

Local Charity: Attached you will find the local charities that we will be partnering with at the Convention. We appreciate any and all support that you may give. 100% of the donations received will go to these helpful organizations. We will have a table at the Sunday Cocktail Reception with some giveaways for any donations received. It has been our tradition to find a local charity to assist and this Convention is no different. It is who we are as SOKOLS.

PARKING: There are two garages for parking. One is attached to the hotel and the other is directly across the street. They are city owned garages and you will take your ticket to the front desk. The Organization will be picking up the parking for our delegates so you should not see any charges related to parking on your Credit Cards. The only charges on your CCs will be for any incidentals you may charge.

ATTIRE: I have received a couple questions regarding attire for the Convention. For our sessions, we will be asking for **Business Casual Attire**. For our evening cocktail receptions, **Casual Attire** is fine. We want everyone to be comfortable while we enjoy ourselves and fraternalize.

PROFESSIONAL REPORTS: The Actuary Report will be included in your registration packet. Allan Ferrone will be presenting at the Convention. The Investment Report will be distributed by our PNC representatives, Thomas Calimano, Jeffrey Neer, and Deborah Kolsovsky, on Sunday afternoon.

THINGS TO DO: The Scranton Jazz Festival will be going on downtown at various establishments and we will be in the heart of it. PJs 1910 Pub, which is our hotel bar, will be taking part in the festival as well! The link to check out all the local spots is, <https://scrantonjazzfestival.org>
